SPECIFICATIONS

Overview

An example of one of the finest maintained cockpit motor yachts in the world.

Samba features 3 staterooms plus crew cabin/office or 4th stateroom.

There are only two in the world on the market!

Large owner's full beam suite - VIP forward cabin - twin Guest cabin

Spacious and bright Salon with comfortable seating, storage, and large window area

A Chef's Galley with full appliance package, granite counter tops, abundant storage

Fully self-contained with twin generators, air conditioning, Extra refrigerator and freezer capacity - water maker

Extremely Sea Worthy with Caterpillar C-30 Engines 3,100 HP total - Naiad stabilizers - Grand Banks reputation for quality construction

Huge outdoor spaces - Foredeck-Portuguese bridge w/dual settees forward, and additional dock box seats - Covered aft deck w/large dining table and seating (for 10) - Aft cockpit and swim platform - Large flybridge with protected helm and guest area, and tender deck.

This popular cockpit model equipped with upgraded twin Cat C-30 1550hp engines will cruise comfortably at 18-20 knots. She has many large yacht features including Naiad stabilizers, twin 20 kW Northern Lights generators, a hydraulic davit, thruster, and windlass, and a factory hardtop on the flybridge. The layout is the preferred three stateroom version, which includes separate crew quarters, or forth guest cabin. Each cabin is en-suite with head and shower

Click open FULL SPECS for additional information - Contact listing broker today for a personal inspection of this yacht.

Gorgeous and gracious above the waterline, the 72 Aleutian RP is a powerhouse below: upgraded 1450 hp engines will take you swiftly and smoothly to 25 knots and above. With her Fexas-designed modified deep-V

hull, the 72RP rides comfortably atop all manner of seas, also offering fuel economy at semi-displacement speeds. That stellar performance is matched by sumptuous luxury: large staterooms, exquisite expanses of teak, stunning hand-crafted furnishings, graceful passageways, and an uncompromising attention to detail. With her timeless lines and proud, nautical profile, this flagship of the fleet is a standout at any port of call.

Not for sale to US residents while in US waters. US Waters end at 12 NM from shoreline

Accommodations ad walkthrough

Large owner's full beam suite (King Berth)- VIP forward cabin (Queen Berth)- Guest cabin (Twin berths) - Crew Cabin (twin berths)

The carpeted stairway to the staterooms is in the helm area, conveniently located near the starboard Freeman door to the side decks. The foot of the stairs opens onto the main companionway, and in the center of the hallway is the second Guest Cabin and en-suite head.

Going forward along the companionway, there is a day head and shower, and the door leading to a large bright guest stateroom with a queen berth

and direct access to the head and shower.

Heading aft from the foot of the stairs, one finds a closet with separate washer and dryer units, and the door to the full beam master stateroom.

The master has a king size berth, end tables and lamps on each side, full chests of drawers to port and starboard, a vanity and stool to port, and a large, cedar lined walk-in closet to starboard.

The ample master head is to port and aft, and features a large shower. There are over-sized opening ports in each cabin for light and ventilation.

While the helm deck and galley have a teak and holly sole, the staterooms and companionway are carpeted.

There is chilled-water air conditioning with individual controls throughout the vessel.

The crew's quarters area is between the master and engine room, and is accessed via a door on the port side deck or through the engine room door in the aft cockpit. There are over and under berths, a head and shower, and a refrigerator.

On the main level, the salon can be entered from the covered aft deck via Freeman double doors.

Aft to port is a finished cabinet with wine cooler, and forward of the cabinet is a curved sofa with book shelves on the forward teak bulkhead and a teak cocktail table, with ottoman stored beneath. Opposite are two barrel chairs with an end table between. An entertainment cabinet with hi-lo mechanism and a large flat screen television is on the Starboard side - aft - as you enter the Salon. The TV can be raised for viewing from all areas, or lowered and completely concealed. There are windows throughout with Hunter Douglas window shades. All teak trim has high gloss varnish which adds to the bright interior.

Up three steps from the salon is the open galley to port with overhead cabinets running the length of the Galley on either side and well as lower cabinets, Refrigerator and Freezer, and dishwasher. The galley features granite counter tops.

Opposite the galley is a cabinet housing additional Sub Zero refrigerator and freezer drawers, and the interior stairway to the fly-bridge. Forward of the galley is the helm.

The galley, lower helm, and all heads have a teak and holly sole.

Master Stateroom:

The full beam master stateroom is located amidships. This spacious stateroom features a walk-around king berth with storage below, two teak nightstands and reading lamps at the head of the bed, teak bookcase, bureaus with numerous storage drawers, a built-in safe, escape hatch to the galley area, 26" Flat screen TV with Satellite TV and Sony stereo in a teak cabinet.

Also featured is a custom vanity with flip-up top/mirror and en suite head with full shower.

There is a large walk-in cedar-lined closet to starboard with a large teak-framed mirror.

The en suite bathroom is located aft of the stateroom, and is equipped with granite counter-tops and sink with Grohe fixtures, large mirrors, Head Hunter fresh water electric head system, a large shower with bi-folding door and teak grate.

- **King size with drawer storage below**
- **Bookcase, teak**
- **Bureaus with drawers, teak**
- **En suite head and shower**
- **Escape hatch to galley area**
- **Cedar lined walk-in teak closet**
- **Two teak side tables**
- **Phone outlet**
- **Reading lamps**
- **Built in safe**

Teak TV cabinet with TV and new Satellite receiver

Guest Accommodations:

Forward VIP Stateroom

The Forward VIP Stateroom features a centerline island berth with storage

drawers below and steps up to both port and starboard. This VIP cabin features reading lamps at the head of the bed, a 26" LCD Flatscreen TV concealed in a teak cabinet, emergency hatch/vent with OceanAir blind and screen. The cabin has plenty of drawer storage and hanging space in the cedar-lined closet.

- Queen Island bed with drawer storage below
- Mirror over bed
- Emergency hatch and vent with blind and screen

En suite head and shower - Granite counter tops

- Cedar lined teak closet
- Teak TV cabinet with 26" LCD flatscreen TV
- Reading lamps

En Suite Head: The VIP head is accessed through the Forward VIP Stateroom or the lower deck teak companionway, allowing this bathroom to also be used as a day head when needed.

- Granite countertop & basin
- Grohe single-lever faucet
- Full shower
- Bi-fold acrylic shower door
- Shower with 24V drain pump
- HeadHunter fresh water head system
- 24V exhaust blower • Teak framed mirror

PORT Guest Stateroom

The port Guest stateroom features twin berths separated by a night table with drawer storage. Additional storage is below each berth, and in a large closet. This stateroom also has a full en-suite head.-- and functions for numerous purposes.

- Berths, upper and lower bunks
- Door, access from side deck

- **Watertight hatch to engine room**
- **En suite head and shower**
- **Hanging locker**
- **Large freezer**
- **Storage lockers**
- **Toilet, Groco, 12V**

VIP STATEROOM

Rivals the master in size and appointments, the guest stateroom is large enough to accommodate a queen-sized bed, and is surrounded by storage and hanging cedar-lined lockers. The en-suite head has a separate shower and fine granite counter-tops.

INDOOR STAIRWELL TO FLY-BRIDGE

Ascend to the fly-bridge directly from the raised pilothouse, by an interior stairwell that provides a safer, sure-footed option to the exterior staircase when conditions are rough or wet.

MAGICAL SALON

Entertain guests or simply ensconce yourself in luxury: the grand salon sets an ideal stage for whatever kind of enjoyment you wish. Large entertainment center features custom cabinetry that can lower the large flat-panel TV out of sight.

ABUNDANT AMENITIES

Cedar-lined, walk-in closet in the master stateroom. Reverse-cycle air conditioning. Optional electric-opening Freeman® doors in the salon. The list of standard and optional amenities is too long to list here, but will surely impress and delight for all your days at sea.

SAFETY AT SEA

Wide side decks, smartly-placed grab rails, standard Fireboy® fire systems, strong hand and safety rails - plus dozens of other specialized design features and equipment inside and out - make each Grand Banks a superior choice for safety.

ALARM SYSTEMS

Carbon monoxide detector: Sea-Fire Marine

Fire Protection System: Fireboy

Fire extinguishers - Fireboy

Engine Room Moisture Eliminator - Delta T System Inc.

Electronics and Electrics

Electrical and Electronics

ELECTRICAL:

Inverter - Trace/Xantrax

Battery charger (12v): Mastervolt IVO Smart 12/30-2

Battery charger (24): Mastervolt MASS 24/100

Converter (24v-12v): Intervolt SVC

Isolation transformers: C- Power (12KVA) Model 93

Engine batteries: Lifeline AGM 8DL (2x 12v) (2 years old)

Service Batteries: Lifeline AGM 8DL (6x 12v)

Shore power cord - Cablemaster CM-7 (Port and Starbd)

Crew Quarters

The crews quarters are located aft of the engine room with over/under bunks and the upper bunk is hinged at the back allowing it to be dropped to provide a convenient bench for seating. The entire cabin is finished in teak and is equipped with two opening portholes, reverse cycle heat & air conditioning, head and shower, freezer, work bench and additional storage. The beauty of this cabin is that it can be used for multiple tasks, obviously for additional accommodations but also for storage of tools, spare parts and/or a work bench. This cabin is a perfect example of the way the boat was designed having multiple functions for numerous purposes.

- **Berths, upper and lower bunks**
- **Door, access from side deck**

- **Watertight hatch to engine room**
- **En suite head and shower**
- **Hanging locker**
- **Large freezer**
- **Storage lockers**

Electronics

- **Electronic circuit breaker panel**
- **Electronics console, (2) Raymarine GPS and Radar screens, and all systems displays**
- **overhead teak**

Electronics equipment dashboard wrapped with Ultraleather

- **Custom file cabinet drawer**

(2) Helmseats, Stidd, adjustable and swivel in Ultraleather

- **Full instrumentation panel**
- **Searchlight controls**
- **Stabilizer controls**

Pilothouse

Pilothouse

Forward of the Galley is the Pilothouse which is expertly designed and pays full attention to a captain's needs. The main electronics console has a large array of instrumentation and there is a total unobstructed view from the Stidd electric helm seat. Lighted steps lead from the helm station to the staterooms below. To starboard and Port are side deck access doors. This makes for great ventilation and allows easy access to the side decks and bow areas.

- **Alarm control panel**
- **Bow thruster controls**
- **Cabinet, teak**
- **Compass with light**

- **Doors, Freeman side deckhouse, sliding aluminum**
- **Electronic circuit breaker panel**
- **Electronics console, (2) Raymarine GPS and Radar screens, and all systems displays**
- **overhead teak**

Electronics equipment dashboard wrapped with Ultraleather

- **Custom file cabinet drawer**

(2) Helmseats, Stidd, adjustable and swivel in Ultraleather

- **Full instrumentation panel**
- **Searchlight controls**
- **Stabilizer controls**
- **Staircase to flybridge with lighted steps, teak**
- **Staircase to forward cabin, teak and holly, non-skid with lighted steps**
- **Steering console**
- **Steering wheel with rim, teak**
- **Tank Sentry system for holding tanks full electronics with dual**
