SPECIFICATIONS

Overview

Jubilee is a well maintained, sedan fast trawler that is turn key and ready to cruise the river systems, Great Loop or beyond. Her Main cabin is spacious, stylish and very comfortable. This two stateroom, two head fast trawler is powered by twin Caterpillar 3126 turbo charged engines with very low hours (just over 1,100 hours). Her Northern Lights 12.5 kw generator provides plenty of power while underway or at anchorage. The large cockpit and spacious, air conditioned enclosed flybridge provide plenty of usable outdoor space and the aft deck of the flybridge is equipped with a davit and cradle for a tender. This is a must see sedan fast trawler.
