## Overview

---

"**Big E**" has been meticulously cared for with an open checkbook policy by her owners and captain. The Ocean 73' Super Sport is the largest, most extravagant sportfish that Ocean Yachts has ever designed, boasting an extraordinary cockpit at almost 150-square-feet. Once again, Ocean Yachts exemplified the ability to successfully balance a cruising boat with a horizon-chasing battlewagon. There are four staterooms - each masterly configured & designed, with lavishly-appointed heads. The custom-designed, teak-accented salon is considerably proportioned. With a sizeable dinette area and an astoundingly equipped galley, the salon will enable any owner to entertain in style and comfort. The entertainment possibilities aboard **Big E** extend to her flybridge. An enclosed flybridge looks over the cockpit, sized to cater to contests of strength with sportfishing's prized game, as well as the demands of offshore hospitality.

# DETAILED INFORMATION

## OVERVIEW

---

"**Big E**" has been meticulously cared for, courtesy of an open checkbook policy by her owners - and the resources, not to mention the expertise, that has gone into keeping **Big E** in phenomenal condition are immediately apparent to anyone fortunate enough to board her. This is the largest, most extravagant vessel that Ocean Yachts has ever designed, boasting an extraordinary, nearly 150 square-foot cockpit. **Big E** exemplifies what Ocean Yachts does best, in that she masterfully blends the luxury of a pure cruising vessel with the ruggedness of a horizon-chasing battlewagon. There are four staterooms - each expertly designed & configured with lavishly-appointed ensuite heads. The custom-designed, teak accented salon is considerably proportioned. With a sizeable dinette area and an astoundingly-equipped galley, the salon alone makes for an extraordinary space for entertaining family, friends and clients alike. The entertainment possibilities aboard **Big E** extend to her enclosed flybridge, which looks out over a cockpit that is perfectly-sized for both contests of strength with the fiercest of sea creatures AND the demands of sophisticated offshore hospitality.
