SPECIFICATIONS

Overview

The concept for the SL72 layout envisioned by interior designer, Marty A. Lowe, was to create a Zen-like casual atmosphere to celebrate the serenity of life on the water. Particular attention was given to creating an open, barrier-free living area utilizing the available space to its greatest advantage. The salon is a "put your feet up" area adjacent to an open upper level dining/lounge area. The galley is open and accessible to the entire main salon or can be closed off by raising a unique privacy window. The overall combined space was designed to graciously accommodate a large family or multiple guests in a casually elegant environment

Basic Information

Category: Motor Yacht

Model Year: 2012

Year Built: 2012

Dimensions

LOA: 72' 0" (21.95m)

Beam: 18' 6" (5.64m)

Accommodations

Total Cabins: 4

Hull and Deck Information

Hull Material: Composite

Engine Information

Engines: 2

Manufacturer: MAN

Model: V12

DETAILED INFORMATION

Accommodations

The spacious master stateroom is located mid-ship. Going forward are two twin staterooms to port and starboard, and further forward is the VIP stateroom. All four staterooms feature ensuite heads.

Exterior spaces are created for sunbathing, dining and socializing. Her large flybridge is perfectly suited to entertaining and enjoying the fresh air. A flybridge davit was deleted, and the tender was relocated to the swim platform on a hydro-electric lift.

Throughout the yacht, carefully chosen appointments are reminiscent of, and inspired by, the celebrated spirit of the sea.

Engine & Mechanical

- Main Engines - Twin MAN V12 @700Hp each
- ZF Smart Command with joy stick and electric steering system
- CMC Marine electric zero speed fin stabilizer system
- Double Racor filters for generators
