ХАРАКТЕРИСТИКИ

Обзор

The concept for the SL72 layout envisioned by interior designer, Marty A. Lowe, was to create a Zen-like casual atmosphere to celebrate the serenity of life on the water. Particular attention was given to creating an open, barrier-free living area utilizing the available space to its greatest advantage. The salon is a "put your feet up" area adjacent to an open upper level dining/lounge area. The galley is open and accessible to the entire main salon or can be closed off by raising a unique privacy window. The overall combined space was designed to graciously accommodate a large family or multiple guests in a casually elegant environment

Основная информация

Производитель: MAN

Модель: V12

ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

The spacious master stateroom is located mid-ship. Going forward are two twin staterooms to port and starboard, and further forward is the VIP stateroom. All four staterooms feature ensuite heads.

Exterior spaces are created for sunbathing, dining and socializing. Her large flybridge is perfectly suited to entertaining and enjoying the fresh air. A flybridge davit was deleted, and the tender was relocated to the swim platform on a hydro-electric lift.

Throughout the yacht, carefully chosen appointments are reminiscent of, and inspired by, the celebrated spirit of the sea.

Engine & Mechanical

• Main Engines - Twin MAN V12 @700Hp each • ZF Smart Command with joy stick and electric steering system • CMC Marine electric zero speed fin stabilizer system • Double Racor filters for generators • Engine oil change system with manual pump • Ball valve thru-hull fittings (engine cooling exhausts are only gate valves) • Tropicalized air conditioning system - 120,000 BTU (condensation draining overboard) • Additional air conditioning raw water pump installed in by-pass • Additional grey water pump installed in by-pass • Additional black water pump installed in by-pass • Water tank purification system with active carbons • Overboard venting for clothes dryer • FM200 Fire system equipment (USCG approved)
