## Overview

---

Launched here in Asia in June 2010 and sold by Lee Marine this Jeanneau 53 with the Performance version has the three cabin layout with owners suite fwd and is fully optioned. Since new she has been used lightly around Phuket and Malaysia with owner and friends she has never been chartered. Very easy to manage with the bow thruster and electric halyard winch make it is easy to forget she is a 53ft yacht and can be operated shorthanded. Great yacht for a family looking to do some island and coastal cruising or club racing, alternatively she would be hugely popular in the charter market as well. The owner is keen for a quick sale.
