Overview

"A true thoroughbred with a refined interior "Boat International" Here is a unique opportunity to purchase a one owner 1996 Oyster 61# 6 built by Southampton Yacht Services. The 61 Oyster (Layout B) offers a beautiful combination of comfort and accommodation for a yacht of this size. The wonderful full beam aft master, crew cabin just behind the nav station, fantastic deck salon dining and longitudinal galley offers generous living spaces throughout. The forward guest port double cabin with ensuite really could be considered as a master cabin as well. Living aboard this Oyster 61 would be sailors dream. Recently refitted with new hull paint, new teak, new electronics and interior refit the opportunity to own an upgraded Oyster 61 now presents itself to the discerning yachtsman looking for a true blue water cruiser. Like her larger sisters the hull to deck connection features a raised bulwark which allows the yacht to have a graceful sheer while retaining flat side decks. This makes for a visually sleek outboard profile further enhanced by the "eyebrow" and flush laid teak on the Deck Saloon itself. The Oyster 61 has powerful hull lines with great stability seated on high performance, low center of gravity bulb keel. This combination gives the yacht good all-around sailing performance, the Oyster 61 has already logged some exceptional daily runs in cruising trim. The Oyster 61 was designed to a realistic proposition for operation by a private owner and family crew. At the same time she is also large enough to support the viable operation of two professional crew, typically a husband and wife team, to offer the owner and his party amenities normally only possible on a much larger yacht. The Oyster 61 may be seen in cruising grounds from Europe to the USA, the Caribbean and as far afield as Australia and Asia "Make the World Your Oyster" This well-appointed Oyster 61 is available now for inspections and sea trials. For a full specification or to make an appointment to view please contact Lee Marine today.
