SPECIFICATIONS

Overview

An excellent example of the popular Sunseeker Manhattan 73 with four cabins and crew for two. All the available options have been fitted to this boat including fin stabilisers and the MAN trailing system allowing safe running of one engine to increase the boat range enormously. She also has twin generators and full Raymarine package with bow and stern thrusters. We know the boat intimately and we highly recommend her to any buyer looking for a 70+ft flybridge.
