SPECIFICATIONS

Overview

Rivendell 82/12 is no ordinary Oyster 82. In her second ownership since new she has been always run as a private, family yacht. Currently operated by an experienced owner, Rivendell has been tastefully updated. Her amazingly practical interior is now more in line with modern trends. Not only has the interior benefitted from a makeover, the deck is also clean and functional with a forward relaxing area cleverly installed where the tender would normally sit for transits.

Rivendell's carbon spars and fully battened mainsail mean that she is a proficient passage maker. She has the most trusted of hull designs but with the added sail shape and area to make sure she powers through the light spots. This, along with the hydraulic furling cutter rig, allows for ease of handling no matter what the weather throws at you.

Rivendell is a must see and thanks to her constant upgrading (sails, canvas work, music system, upholstery etc..) she shows beautifully. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Verdana}
