SPECIFICATIONS

Overview

This Albemarle 25 Express lets you enjoy true offshore fishing anywhere you want to go. She's an offshore thoroughbred with distinctive, flared bow, unitized construction, Yamaha power and deep-V bottom that lets it handle just about any condition a sport fisherman faces.

A spacious flush cockpit, high, wide, gunwales for easy 360-degree access around the boat. The boat has recessed hawse pipes and rod holders keep lines free of interference plus a standard, large livewell and fishbox in the transom completes the fishing package.

Forward is a full sized cuddy cabin with V-berth, rod storage, stowable electric head and storage locker.
