SPECIFICATIONS

Overview

Her generous three cabin layout and open plan saloon make her a comfortable family yacht. Her accommodation offers a full-beam master cabin with large en-suite plus a substantial VIP forward and a twin cabin to starboard. There is a crew cabin in the transom with head and shower. The main saloon features a sizeable C-shaped lounge and TV area with two steps up to the galley, dinette and lower helm station. The whole main deck is bathed in natural light. Powered by reliable CAT C12 715hp shaft drive engines and a 17kw Kohler generator. All the machinery is in tip top shape with service records available. The boat was recently antifouled and new props fitted in August 2016. A custom made bimini aft of the cockpit provides added shade over the swim platform which makes this area very usable for fishing or just relaxing at anchor. This particular AZIMUT 55E has the factory fitted Opacmare tender crane on the flybridge which allows the swim platform to be clear at all times. She is well suited for entertaining and is perfect for a family wanting to make the step up into a luxury mid-sized flybridge cruiser. This boat comes highly recommend by Lee Marine.

Basic Information
