DETAILED INFORMATION

Accommodations/Walkthrough

Superbly styled for comfort and privacy, the 95's interior has been designed to the highest standards. As you enter the salon you immediately experience the panoramic windows offering a light and open feeling throughout with views from every position. Seamlessly forward of the salon is the dining area for 8 surrounded by plenty of storage in the low profile sideboard cabinets. Continuing forward is the companionway to the day head as well as access to galley or wheelhouse and stairs to either lower deck accommodations or upper deck flybridge. The wheelhouse includes a dinette, while the helm and galley can be accessed by crew from the side decks. Ensuring the utmost privacy for you and your guests. Each spacious cabin on the lower deck is luxuriously finished and can accommodate up to ten guests. The large hull windows in your stateroom bathroom provides natural light and exceptional views. The crew quarters, situated aft of the machinery, with private access can sleep up to 6. The vast flybridge is the perfect exterior area for hosting your guests. Under the optional hardtop with sunroof there is plenty of space at the oversized dinette to serve 8 or more with a large fully equipped serving bar and grill area across. To aft there is a large sunpad and area for freestanding furniture, plus room to store your tender complete with crane. The aft deck is not to be forgotten with a large dinette aft undercover equipped to serve 8 guests, with optional aft deck full service wet bar forward. One of the 95's best features is the full walk around deck giving safe passage to the forward sunbed and couch as well as great traffic patterns for crew handling and service. Her transom is accessed by port and starboard molded steps to a large transom garage and electro-hydraulic bathing platform that is perfect for those who enjoy water sports.
