## Walkthrough and Accommodations

---

### REMARKS:

Owner willing to consider a trade for a condo or other property in the SW Florida or Florida Keys area.

LORI ANN shows pride of ownership throughout. Commencing in the cockpit area of the boat, the new gray SeaDek surface provides positive traction and practical underfoot comfort for the angling and other outdoor activities. Tackle centers, outriggers, cockpit freezer, generous fish boxes, rod holders, and bait prep center all add to the fishing amenities.

Continuing forward through the cabin door to the interior areas the salon area features the high quality raised panel teak cabinetry that Viking Yachts is famous for and that serves as the backdrop for the well-appointed furnishings. These include a large L shaped settee to port and spacious dinette area forward to starboard with the fully equipped galley across to port featuring the stand-up refrigerator/freezer, recessed stove, microwave/convection over and Corian countertops and sink.

Continuing forward and down a short flight of stairs into the lower companionway we find the standard Viking 50' layout with three staterooms and two heads. The master stateroom is to starboard amidships aft along the companionway with an island queen berth and a private head with separate stall shower. Opposite to port is the second guest cabin with upper and lower berths. Further forward is the second guest/day head and separate shower. All the way forward is the VIP guest cabin with upper and lower berths, generous storage, separate TV, and private entrance to the guest head.

Outside and accessed via a ladder on the forward portside of the cockpit is the flybridge deck with the fully instrumented helm area and generous seating for the owner and his guests. The foredeck is equipped with a hydraulic lift, manual rotation davit suitable for deploying virtually any appropriate tender or water toy.

Finally, the engine and machinery spaces are easily accessed via the large entry hatch in the forward center of the cockpit. Viking is well known for the sophistication of its machinery installations and LORI ANN is no exception. Designed with an emphasis on accessibility and ease of maintenance this space is a pleasure to work in for both routine servicing or more advanced projects.

### SALON

- Cruisair airconditioning with reverse cycle heat and SMXII controls
- Large L-shaped contemporary upholstered settee is covered in rich ultraleather

and features a gathered back

- Teak coffee table

**REMARKS** LORI ANN is a very nicely kept, captain maintained 50 Viking Convertible. With recently overhauled MANs (less than 200 hours SMOH) and plenty of care and attention to the little things, she is ready to go fishing or cruising at a moment's notice. Comprehensively equipped with water maker, shaved ice maker, foredeck davit crane, and updated electronics, LORI ANN is a pleasure to inspect. She is well worth your attention if you are looking to acquire a very clean and properly maintained 50' Viking convertible. Her seller is motivated and willing to entertain reasonable offers. Make a call today to arrange for your inspection of LORI ANN. She will not disappoint and likely won't be on the market for long before her next owner finds her.
