SPECIFICATIONS

Overview

The "Safari" is wonderful example of Sabre's popular 34 Sedan Flybridge. She has been very well cared for and it shows. Built on a modified V hull she offers a moderate beam and a desirable keel draft. A comfortable arrangement with beautiful Maine craftsmanship, she has a center island walk around berth forward with a custom mattress, a separate shower stall, 360 degree views in the salon, a lower helm and a forward galley. Safari has been hauled out and shrink wrapped every winter and serviced routinely. A very well built, well cared for classy yacht.

Overview

The Sabreline 34 has one large cabin forward, with a full head and shower compartment attached. Occasional guests can be accommodated in the main salon. The big feature of a sedan style boat is her cockpit. The cockpit is a natural extension of the main salon and provides a great place for the crew to relax while underway. It also becomes the center of social activity when the boat is at anchor or dockside. The Sabreline 34 offers lower and upper helm stations which add further to the social aspect by bringing the captain in closer contact with the crew.

Accommodations

Center island master stateroom forward with drawers, cabinets and hanging locker. The head is to port without a VacuFlush toilet, vanity and separate shower stall. The head features dual entry doors. Opposite the head to starboard is a spacious locker/pantry with large shelves outboard. Aft of the lower helmseat is a large refrigerator with counter surface above. The main salon has opposing settees making a room you and comfortable cabin environment for socializing and dining. The port settee is L shaped and converts into a double berth. There is a large dining table with 2 fold down leaves. The starboard settee is a single berth. There is a spacious cockpit aft with storage lockers beneath the cockpit sole. A centerline custom cockpit table with fold down leaves has ample storage and evening lighting us provided by cockpit lights. The transom door provides easy access to the swim platform and makes boarding easy from a floating dock.
