SPECIFICATIONS

Overview

Diversion is offered for sale by her second owners who have enjoyed her during the past twelve years cruising around Florida and the Bahamas. The sellers are a husband and wife team who are owner/operators and exceptional yacht handlers. Diversion is a classic Nordhavn 57 with the popular wide body salon, three stateroom layout, and a gorgeous teak interior. She has been thoughtfully maintained and regularly exercised throughout her ownership. Diligent maintenance in systems and equipment on top of the original build selections make Diversion an outstanding purchase for anyone looking to own a stellar Nordhavn 57. (Her owner is a licensed yacht broker and experienced marine surveyor so he knows how to keep things nice and running smoothly).

Basic Information

Category: Trawler

Model Year: 2000

Year Built: 2000

Country: United States

Fly Bridge: Yes

Dimensions

LOA: 57' 0" (17.37m)

LWL: 53' 3" (16.23m)

Beam: 17' 7" (5.36m)

Max Draft: 6' 2" (1.88m)

Speed, Capacities and Weight

Displacement: 122000 Pounds

Water Capacity: 300 Gallons

Holding Tank: 120 Gallons

Fuel Capacity: 2000 Gallons

Accommodations

Total Cabins: 3

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Designer: Jeff Leishman

Engine Information

Engines: 1

Manufacturer: Luggier

Model: L6125A

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations and Layout

From the cockpit you enter the salon with L-shaped built-in settee to port with custom high/low teak table. There are two chairs to starboard divided by a locker stand. Moving forward and to port is the large U-shaped galley with Corian countertops. There is engine room access downstairs to starboard. Moving forward up several steps you find the large pilothouse with helm chair, L-shaped seating with table, electrical distribution panels, sliding pilothouse doors that access the outside decks and a separate set of stairs aft that leads up to the flybridge. Continuing forward to starboard from the pilothouse, you descend a set of curved stairs leading to three separate cabins along with two separate heads and showers.

Highlighted Features

- Bulbous bow
- Lugger single main engine with dry stack exhaust
- Lugger wing engine
- Asymmetric “wide body” salon
- Three stateroom layout
- Raised pilothouse
- Semi-gloss teak wood interior
- Corian countertops in galley and heads
- Flybridge with Bimini top
- Naiad active fin stabilizers
- ABT electric bow thruster
- HRO water maker

Interior- General

Diversión is beautifully appointed with leather upholstery and a gorgeous teak wood

finish. Corian countertops, carpeted floors soles and beautiful chrome and stainless fixtures are used throughout, with Ta Shing's legendary joinery work a masterpiece to behold.

- Semi-gloss teak woodwork
- Corian counter tops in galley and heads
- Cantalupi interior lights
- Grohe plumbing fixtures
- New vinyl ceiling panels throughout

Main Salon

Entering the salon, you are immediately met by a spacious and inviting interior. The salon enjoys extra space due to the wide body configuration. To starboard there are two chairs separated by a stand locker with another cabinet which houses a television. To port is a large L-shaped built in seating area surrounding a large custom ordered "Hi-Lo" teak table. The saloon has blue leather upholstery on the settee. The carpeting and drapes provide a warm, home-style feeling.

The interior of ***Diversio*** is all rich teak wood which has been carefully beautifully matched.

- Custom high low table with folding leaves and compass rose inlay
- L-shaped settee with blue leather upholstery
- 19" Sony television in cabinet aft to starboard
- Bose lifestyle 25 entertainment system with Bose speakers
- Custom designer Roman shades
- Custom Italian carpeting
- Overhead valance
- (2) bar stool seats facing the galley

The laundry appliances are concealed in a locker that houses the separate Asko clothes washer and dryer forward starboard in salon

- Asko clothes front loading clothes washer

- Asko clothes front loading clothes dryer

Galley

This galley features two sinks with disposal, a four burner electric cook top with sea rails and pot holders, and a full sized electric oven, dishwasher, a Broan trash compactor and Sub Zero refrigerator with freezer drawers and icemaker. There is a door to the outside deck which provides great air flow and easy access. The Corian counter offers an expansive serving surface. There are numerous cabinets and drawers for all galley necessities.

- Subzero Refrigerator /Freezer, model 611 F with ice maker
- GE Profile Microwave/convection oven
- GE Profile 4 burner electric cook top with stainless fiddles and pot holders
- GE Profile oven
- Double stainless steel sink
- ¾ HP garbage disposal
- GE Dishwasher
- Broan trash compactor
- Overhead storage cabinets
- Drawers and lockers
- Corian counter tops and back splash
- Custom tile galley floor

Pilothouse (including electronics and entertainment)

Heading forward from the salon you ascend to the pilothouse. This is the command center underway and it has been cleverly laid out for optimum comfort underway. The instruments are mounted in the forward dash and overhead. There is a large blue leather Stidd helm to run the show. Aft there is a built in settee with teak table which is ideal for lunch or morning coffee. Teak and spruce soles with area carpets.

- Stidd Admiral helm chair with blue leather upholstery
- Stainless steel destroyer wheel

- Sliding doors to port and starboard allow you to enjoy natural cross ventilation at anchor or while underway
- Gloss varnished teak table
- Overhead hatch
- Cushioned blue leather bench seat
- Chart light
- Four upgraded to Vetus parallel sweep windshield wipers
- Custom Oriental rugs
- Furuno Model # 7112, 12kW radar with 6' open array
- Furuno Model # 1761 MK2, 4kW radar with 4' open array
- Nobeltec east coast and explorer Bahamas charts
- Standard Horizon matrix GX2200 – AIS/GPS VHF Radio
- Interphase Twin scope
- Furuno GPS – GP31 receiver
- B & G Network digital depth sounder
- (2) Independent Simrad Robertson AP 20 autopilots
- Garmin GPSmap 740s GPS plotter
- Hewlett Packard tower computer
- Fusion MS-CD500 stereo receiver, with Sirius, DVD and IPOD
- KVH 4 satellite television system – Direct TV
- GE C-Phone intercom – pilothouse, galley and staterooms
- Ritchie 6" compass in pilothouse
- Weems and Plath clock
- Weems and Plath barometer
- Oregon wireless weather station
- Elbex EXM-93 closed circuit TV system –two cameras, black and white

- Hella fans
- (2) Fusion 7" overhead speakers
- (2) 1000 watt internally mounted stereo amplifiers with cooling fan
- "Badboy" WIFI expander with "unleashed" 600 watts local WIFI Xmtr.
- Jabsco spotlight control
- Remote windlass control in pilot house and flybridge
- Stabilizer Control: Naiad 254 stabilizer control
- ABT Bow Thruster control
- Stairs to fly bridge with glass and stainless steel sliding door
- Engine instruments for the main engine
- Engine instruments for the wing engine

Master Stateroom

Working down from the pilothouse stairs you arrive at the lower living areas. The master stateroom is located aft with a large, island queen sized bed positioned fore and aft. A nice dresser, large hanging lockers, abundant drawers, bed stands and great lighting with excellent ventilation compliment this wonderful room. There is a nice selection of teak trim to complement the balance of white laminate making the room feel more spacious.

- Queen size berth with custom fitted mattress
- Large dresser
- Inlaid teak frames mirrors in stateroom and head
- Large hanging Closet
- Laundry locker
- 2 oval portlights
- Carpeted floors
- Storage cabinets and drawer storage
- Book shelf above bed

- Hella fan
- Television on port bureau top

Master Head

This is a convenient and private head with shower and sink and includes a mirrored medicine cabinet and lockers.

- Corian counter tops
- Shower: Molded fiberglass, with seat, electric drain & metal framed glass door
- Grohe fixtures in sink and shower
- Cabinets and drawers
- Mirrored medicine cabinet
- Headhunter full size electric fresh water head
- Shower exhaust blower with timer
- (1) port light behind sink and (1) in shower
- Vinyl flooring

Guest Head- Starboard

This head is located just forward of the stairway from the pilothouse. There are two entrances, one from the hallway and one from the stateroom so privacy is afforded from either access. This head also features a roomy shower with metal framed glass shower door.

- Shower: molded fiberglass with seat, electric drain and metal framed glass door
- Mirrored medicine cabinet
- Headhunter electric full size fresh water head
- Electric shower drain
- Grohe fixtures in sink and shower
- Shower exhaust blower with timer
- Port light in shower

- Corian countertop
- Split hinged door into forward stateroom
- Vinyl flooring

Guest Stateroom - Port

Across from the guest head is a comfortable guest stateroom to port. The port guest stateroom features two large single bunk beds. There are drawers and overhead lockers for storage.

- Large hanging closet
- Overhead storage cabinets
- Teak framed mirror
- White wood paneling on hull sides
- (1) Hella fan
- Reading light
- Drawers and cabinets for storage
- (1) Port light
- Carpeted flooring

VIP Guest Stateroom - Forward

At the forward end of the hallway you go up a step to the forward VIP guest stateroom. This stateroom has a wide double island berth on centerline with a lifting mechanism to access machinery below. There is a large clothing hanging closet with abundant additional cabinets. Nice teak finish with some white painted trim.

- Wide double island berth centerline forward
- Custom fitted mattress
- Large hanging locker forward
- One port light starboard
- Extensive storage under berth

- Private entrance to guest head
- Carpeted floors
- One port light

Engine Room

The engine room on the Nordhavn 57 is a “stand up” engine room that is easy to get around thanks to the maintenance strakes incorporated into the hull design. This is a well-lit area that also has various places to safely sit down. The main engine is on centerline and protected by a stainless steel handrail. The generator is aft to port and the wing engine is aft to starboard. On the port side opposite the main engine are a work bench and tool drawer. A built in sea chest delivers sea water to the various engines and pumps that require cooling. This is an engine room that is easy to manage while underway.

- Lugger model no. L6125A / 325 HP Main engine keel cooled with dry stack exhaust
- Twin disc transmission
- Secondary Racor fuel filters
- Bearings: One rubber cutlass type at aft end of stern tube, one pillow block bearing in front of stuffing box.
- Shaft seal: bronze stuffing box type
- 4 blade bronze propeller
- Spurs line cutter on main shaft
- Engine controls: Twin Disc-3 stations (pilot house, flybridge & cockpit)
- Engine room Blowers: (2) 110V Dayton 4C831 1,200 CFM (one intake, one exhaust)
- Lugger model no. L984D 70 HP "Wing Engine" -Wing engine controls are Morse cable. Includes a Martec 2 bladed folding 22" diameter x 20" pitch propeller. This drives an independent shaft and propeller.
- Northern Lights 20kW Generator
- Naiad model 254 active fin stabilizers
- Emergency 180gpm hydraulic pump

- Fireboy fire suppression with engine shutdown and manual release
- 2,000 gallons fuel in four fiberglass tanks
- Fuel manifolds are all stainless steel with transfer, supply and return manifolds serving all fuel tanks
- Fuel transfer system with stainless steel manifold includes separate pick up and return lines. Filter fuel through transfer Racor
- Oil change system for main, wing and generator
- Electric and manual bilge pumps
- Convenient freshwater sink
- Nutone central vacuum system

Electrical Equipment

Diversion was built to cruise in US home waters and is outfitted with power cruising electrical systems designed for both adaptability and simplicity

- 120/240 volt 60 cycle system with two 50-amp shore cord inlets. GFCI outlets in head compartment, galley, exterior and engine room. Water proof covers on outdoor outlets.
- Northern lights 20kW generator sound shield providing 120/240V current at 60 Hz
- Gen-Sep gas/water separator system for generator
- Trace 2,500-watt sine wave inverter/chargers.
- Isolation transformer on primary shore power system
- Bow shore power inlet
- 50-amp shore power cords
- Seven Deka AGM 8-D batteries for house bank. New June 2012
- Two West Marine Group 31 separate engine starting batteries. New October 2015
- Individual battery isolation switches
- Main AC and DC distribution and control panels

- Sub DC distribution and control panel in pilothouse

Plumbing Systems

The Nordhavn 57 includes several very well thought out plumbing systems.

- Fresh water filtering system
- Garbage disposal
- Grohe plumbing fixtures
- 20-gallon 220 volt Raritan hot water heater
- 600 GPD HRO water maker with remote in pilothouse
- Asko clothes washer
- Extra freshwater taps for engine room and foredeck
- Hot & cold water cockpit shower
- Mach 5, 110-volt fresh water pump
- Cockpit freshwater sink
- Toilets: (2) Headhunter full-size electric freshwater
- Electric and manual overboard pump for black water tank

Exterior - General

- Starboard side deck boarding door
- Transom boarding door
- Numerous extra stainless exterior handrails
- Switlik 6-person canister life mounted on boat deck (due for service)
- Teak flagpole with U.S. ensign
- 120VAC flood light on the cross section between the stacks to light up the boat deck
- Fenders and dock lines

- Flag halyards
- Shore power alcove forward

Cockpit

The Nordhavn 57 has an excellent cockpit, great for entertaining and helpful for docking. The cockpit area also boasts a built in sink and hot/cold fresh water shower. The aft surrounding cap rail is deeply varnished teak.

- Two fishing rod holders
- Locker console with stainless steel sink
- Two teak chairs
- Cockpit console thruster levers, rudder control lever and engine controls
- Stainless swim ladder on platform
- Teak flagpole with US Ensign
- Ladder to boat deck with fiberglass steps
- Swim platform has two U rails
- L-shaped handrails for swim platform
- Dinghy cleats on transom

Lazarette

Directly below the cockpit is the lazarette which can be entered to through the cockpit hatch or the aft engine room door. The batteries are housed here. You will also find the steering system (including an emergency tiller). **Diversion** was also outfitted with a 5 cu. ft. subzero freezer for extra cold storage.

- Freezer
- Batteries and switch panel
- Steering helm pump
- Air-conditioning system - Cruisair remote compressor system with SMX controls. Four compressors delivering 80,000 BTUs through four air handlers with SMX controls. Reverse cycle with optional heat strips.

Boat Deck

The deck above the salon is the tender storage area and features a davit and dinghy with lots of room and space once the tender is launched. You can walk right up to the flybridge from this area.

- 14'5" Caribe inflatable tender with center console, fiberglass bottom and running lights. Garmin display and compass.
- Custom stainless tie downs (3) for tender
- 50 HP Yamaha 4-stroke outboard
- Covers for dinghy, fly bridge cushions, fly bridge table, life raft and pilothouse windows
- 1,300 lb. Stainless steel Aritex Model HSC-610 crane with 300-degree power rotation with 15' lead cord. Installed to port.

Flybridge

The flybridge of the Nordhavn 57 is a wonderful area to operate **Diversion** and to relax both underway and when at rest. There one helm chair and a settee area behind. You can access the flybridge from the pilothouse or the boat deck. Stainless sliding door with clear view between pilothouse and flybridge. The pilothouse roof forward has the search light and horn installed. **Diversion** has a stainless framed Bimini top and a comprehensive nav/com electronics package for easy navigation.

- Fixed stainless steel framed flybridge Bimini "T" top with Sunbrella.
- Centerline helm chair
- Stainless steel destroyer helm
- L-shaped seating with cushions
- B & G Network digital depth sounder
- (2) Simrad Robertson AP22 autopilot controls
- Icom MC 304 VHF
- Garmin GPSmap 740s GPS plotter
- Fusion stereo control with (4) 7" speakers & (1) 10" bass
- Ritchie compass

- Engine controls
- Thruster control
- Windlass control
- GFI outlets
- Stainless radar arch above stacks
- Dry stack exhaust through starboard stack
- Search light
- Horns

Foredeck Equipment

You can reach the foredeck from the Portuguese bridge via a hinged door. The electric horizontal windlass is secure, feeding chain to the enclosed locker below and rests in an anchor well that drains overboard. There is a shore power box.

- Maxwell VWC 3500 horizontal primary windlass with foot buttons on deck and controls on flybridge and in pilothouse
- 120 lb. Aritex stainless steel anchor with 400' of 7/16" high test chain
- Shore power inlet connections - for house and air conditioning TV cable
- Lewmar hatches
- Built in dock storage box
- Two Dorade vents

Safety Equipment

- Fire extinguishers
- Emergency signal flares
- Life jackets
- Life Sling in canister

- Custom owner's manual (first one ever done by PAE)
- All Coast Guard required equipment
- Spare parts

Diversio- Upgrades During Ownership

- Boat waxed (2016)
- New Bottom paint, new zincs (2014)
- New Membranes for water maker (2013)
- Water maker full maintenance(2014)
- Change all fuel and oil filters and oil for main, wing and generator (2016)
- Generator maintenance (2016)
- Replaced all belts and water pumps for main, wing, generator (2015)
- Extensive spare parts collection
- Varnish teak caprail in cockpit (2014)
- Aritex crane pump rebuilt (2014)
- Spare pump for freshwater system
- Deck repainted (2010)
- Canvas covers for exterior (2015)
- Main engine stuffing box packing redone (2015)

Additional Comments

Diversio is a USCG documented and registered vessel with US duty paid. The hull and topsides have been cleaned and waxed on a regular basis. All of the systems are proven and her equipment is sound. If you are in the market for an outstanding long-range passage maker at an exceptional price, please give **Diversio** a very close look. An extensive inventory of additional Diversio photos is available by request.
