SPECIFICATIONS

Overview

Blue Pearl is well maintained, has low hours and features new electronics and numerous recent updates. She sports a functional custom tower station and has only 1140 hours on her 800 HP MANs. Furuno TZ touch electronics (with 3kw Chirp transducer) in a custom flush mounted dash were added in 2015. The fighting chair, helm chairs and all helm deck seating was refinished and recovered in 2016.

She is rigged to fish with new Ocean LED underwater lights, 30 amp electric reel outlets, ice maker and hydraulic outriggers. Blue Pearl is seriously for sale and a must see if you are shopping for a top of the line express sportfish.
