DETAILED INFORMATION

Overview

PRELIMINARY LISTING Value, space, integrity and safety! There are many yacht builders in the world today. Gone are the days where 3 or 4 builders dominated the US market. Each new builder coming on line must distinguish themselves. Tarrab and uniquely CORK TRICK distinguishes herself in 4 simple, yet strategic, categories. • Integrity: Multiple structural bulkheads incorporated into the designs provide the basis of an extremely strong hull structure for greater safety • Space and comfort: All models feature wide beams and low centers of gravity to provide outstanding accommodations and to enhance stability in a seaway. The Engine room, salon, helm, FB and Master Stateroom are noticeable larger than most competition. • Serviceability; Most of the equipment is US built and supplied in addition, all systems are designed for easy access and serviceability and redundancy for increased reliability. • Value: In October 2016, we did a market evaluation from 90 - 105 feet years 2000 - 2004 and this yacht compares very well with all competition and is priced from \$100 - 600,000 less than most. In the owners words "I think the main thing I like about "Cork Trick" is how well it works for 2 families ... everyone has their private place. It's also a great shallow water island hopping yacht, great for diving, fishing, swimming and exploring. I hope whoever buys her will have as much fun as we did."

If you are looking for a solid, real value in a strong, quality Motoryacht, built with Old World craftsmanship with high quality components that will provide you with years of easy, safe, reliable operation stop here and make an appointment!

She features: • 4 Staterooms in owner's party • Hardtop and large Flying Bridge make easy cruising home in any weather. • Proven Reliable Caterpillar diesels • 18 knots (all day) cruise 22 + max • Oversized helm area, great for morning breakfast • Stabilizers and Bow thruster • Modern clean, bright interior in top shape. She features a cottage / rugged look that would be very easy to add your own "soft goods" and design • Great Storage areas every where • In 2012 the interior was updated as well as all new LED lighting and some mechanical items as needed

Walkthrough

The Cockpit is accessed via the gunwales. There is a sizable swim platform and walk through transom. Through a cockpit door down a few steps is the Crew Quarters with two Staterooms as well as a Crew Head and stall shower shared by the both Staterooms. Engine Room access is forward with great access to engines and generators, and most of the yachts mechanical equipment all in top shape. Up from the cockpit the Aft Deck has a transom settee with storage underneath. The teak table has accommodations for eight. There is a ladder to access the aft area of the Flybridge

Deck and tender storage. The entrance to the extra-large (more like a 110-footer) Salon is located just to the right of the ladder. The Salon features large sofas on both port and starboard with a table and two large barrel type chairs. The interior of CORK TRICK has been completely updated with new soft goods (2012). Forward in the Salon is a Dining Area for eight people. Moving forward is the Day Head. Access to the Master & Guests Staterooms is down a spiral staircase centerline as you travel forward of the Salon. Next forward the Galley is a large working galley with all American appliances and huge 2 door commercial Sub Zero refrigerator. Granite floors and Galley countertops give this area the space, look and feel of a totally efficient galley. Next forward is the oversized Pilothouse/ Helm with large settee. Access to the Forward Decks is from port and starboard Pilothouse doors. This bow has high railings for guest's safety and an oversized sun pad. Perfect for the sunbathing sight seers in you group. There is access to the Flybridge from the Pilothouse. The Flybridge Deck has two settees', helm controls and a hard top. Again, sight seers and sun lovers can enjoy nearly 20 ft. of open deck with seating, grill and more. The dinghy is a 15-ft. center console Novurania with a 70 hp Yamaha, hoisted by a Marquip 1500 lb. davit crane. Traveling below decks twin Guest Staterooms are a mirror of each other with large side by side berths and Bath room. The Master has a kind size bed with his and hers walk in cedar lined closets. His and Hers Heads separated by a Jacuzzi tub and shower help identify this as the Master Cabin.

Main Salon

The Salon is entered via an aft oversized sliding weather tight door. This is a great area (bigger than most) for a party or dinner or watching a sports game on the oversized TV. Immediately to port is a burl wood (Maple) cabinet with a 46 inch LG TV and four cabinet doors below housing the yacht's entertainment electronics. The Salon has a carpeted sole, large side and aft windows covered with Roman shades, valance type air conditioning delivery, digital AC controls and four Poly Planer stereo type speakers. (ALL newly installed LED lights 175 throughout the yacht). All walls are polished wood - burlled maple.

Dining Area

Forward in the Salon is the Dining Area with an eight-person burl wood table and eight matching burl wood trimmed chairs. To port are six cabinet doors housing bar storage, and an icemaker, lift bar top with stainless bar sink below, two drawers and numerous cutouts for glassware and bottles. Forward in this area are two beveled edge glass storage cabinets built to hold all the yachts stemware. Six additional cabinets below a framed centered mirror conceal additional storage. There are also large side windows covered with Roman shades, two Poly Planner stereo speakers and a sliding pocket door. As in all areas - Comfortable and spacious - are the adjectives for all areas in CORK TRICK.

Dayhead

The day is amidships next to the galley. It's is larger than on most similar size yachts.

- Marble sole and matching countertop
- Vanity with two cabinets
- Headhunter jet head
- (2) Large smoked mirrors

Passageway

Access to the Pilothouse is forward and to starboard and gives access to the Galley and lower helm. There is a two door cabinet for wine storage.

Galley

Access to the Pilothouse is forward and to starboard and The yacht's Galley is to starboard with granite countertops. Large side outboard windows add ample lighting. Equipment includes:

- Large sink with drain tray & garbage disposal
- Overhead LED lighting
- Sub Zero 35-inch-wide refrigerator
- Matching Sub Zero 35-inch-wide freezer
- GE trash compactor
- GE Profile dishwasher
- GE built in oven
- GE cook top
- GE Profile microwave convection oven with exhaust fan & work light

Pilothouse

Forward from the Galley and accessed via the Portside Companionway is the oversized Pilothouse. It doubles as a breakfast settee! Features include:

- Teak & holly sole
- Excellent visibility
- Six-person leather settee w/kidney shaped burl wood table
- Chart desk to starboard
- Stidd helm chair
- Port & starboard sliding Pilothouse weather doors
- Overhead graphic panel of ship's systems
- 72 Mile Furuno color radar
- Furuno Nav Net plotter
- Icom M502 VHF w/DSC
- Naiad Marine thruster
- KVH Tracphone
- Panasonic PBX phone system
- CAT electronic gauges' w/alarm panels
- Northern Lights gauge panels for each gen
- Wiper controls
- Naiad Multi Sea 2000 digital stabilizer control
- Robertson AP 20 autopilot
- Mathers electronic single lever controls
- Stainless helm wheel
- VDO rudder angle indicator
- Ritchie 5" magnetic compass
- Fireboy
- Northstar 952X backup GPS
- Furuno FI 50 wind instrument
- Furuno FI 50 digital depth
- (2) VEI 15" monitors for CCTV
- Nobeltec software for PC navigation w/a dedicated PC & 24" LCD monitor
- Command mic for Icom VHF
- Bilge alarm system
- Door open alarm system
- Emergency shutdown buttons
- ARC RCL 100 Point Pad searchlight control

VIP Stateroom

For honored quests or family members below forward is the private VIP Cabin with a

queen-sized pedestal berth amidships. Forward of the berth is a large mirrored bulkhead with reading lights above. Fold down storage locker on both sides. A cabinet houses a Samsung 18-inch LCD TV, a Direct TV HD receiver, Pioneer AM/FM CD stereo and a Panasonic DVD player. Also in this cabin are digital AC controls, a central vacuum outlet and a cedar lined auto lit hanging locker. The VIP private Head has a Cream-colored tile sole and matching vanity top. The vanity has two cabinet doors below and an under-mount sink. The raised toilet is a Head Hunter jet head model. Two deep storage cabinets are above the head. To port is a stall shower with a clear glass door, a handheld or wall mountable shower fixture, a light and an exhaust fan.

Staterooms

Down curved carpeted steps from the salon passageway is the Master stateroom aft and two Twin Staterooms forward. At the base of the stairs behind a hinged door is a stacked GE washer and dryer. The VIP is forward on a second stairwell. Portside and starboard Guest Stateroom: These 2 bright and cheerful rooms will make your friends feel right at home. Known to sometimes help some people reduce their insomnia, sleeping aboard is always a special treat for friends. Identical mirrors each guest room features:

- Twin single berths with drawers below
- TV
- Direct TV HD receiver
- Pioneer AM/FM CD stereo
- Panasonic DVD player
- Cedar lined hanging locker

Guest Heads:

- Cream Marfil sole with matching countertop
- Vanity with cabinet door
- Under mount sink with two tone fixtures
- Head Hunter jet flush toilet
- Stall shower with handheld or wall mountable shower fixture
- Exhaust fan
- Medicine cabinet
- Mirror above the sink

Master Cabin: The master stateroom, once again, is just the right functional measure of space storage and style. An oasis at the end of the day or a place to take that mid- Sunday nap. It's quiet and comfortable. Your partner won't fight for closet space with 2 large walk in closets.

- King size berth on centerline facing forward
- Four drawer built in night stands with table lamp
- His and Her Heads
- Upholstered headboard
- Large smoked mirror panel
- Cabinet with 26 inch Samsung LCD TV
- Sony component CD stereo
- Sony five-disc changer
- (2) Walk in cedar lined closet
- Safe
- (2) Hanging lockers
- Vanity with chair
- Beveled edge mirror
- Chest with four drawers and four cabinet doors
- Two stainless steel portholes with weather covers covered by drapes
- Roman shades
- Matching cabinet with four drawers, four cabinet doors, two portholes, drapes and Roman shades

Master Head:

- His and Her Heads
- Two person Jacuzzi tub/shower
- Shower has sliding glass panels either side
- Handheld and fixed shower head above
- Cream Marfil deck tile
- Matching countertops
- Vanities have four storage cabinets
- Under mount sink with two tone fixtures
- (2) Head Hunter jet head toilets
- (2) Two door medicine cabinets
- Large beveled edge mirror on the aft bulkhead
