SPECIFICATIONS

Overview

This super clean 2016 43' Tiara has the upgraded 715 HP C12- Caterpillars with extended warranties. She has bow and stern thusters, 32K BTU helm AC, solid teak and holly floors below deck, upgraded sound system, upgraded Navigation electronics... the list goes on.

She boasts an expansive cockpit, nearly 100 square feet of space and a very roomy mezzanine deck. Below decks on the 43 Open is spacious, the height of the cabin provides plenty of headroom but because of Tiara engineering it does not cause the boat to lose its sleek profile. The deck hatch-skylight on the foredeck allows light to flood the cabin. The 43 layout has a Pullman berth and convertible salon settee which allows this two-stateroom layout to sleep seven - a small family would be the most comfortable complement for spending a week on the hook.

You will not find a cleaner, better equipped late model 43 Tiara anywhere. And the seller is motivated! This 2016 43 is priced right and will be sold soon.

Basic Information

Category: Cruiser
