SPECIFICATIONS

Overview

This yacht is the natural evolution of the widely appreciated Pershing 72, the initiator of a new aesthetic trend in Pershing's fleet. Just like its predecessor, it is characterized by unique 'open' features ensuring direct contact with the sea. Plenty of natural light, state-of-the-art technology and a painstaking study of interiors are its key design features. Equally impressive is its maximum speed of 44 knots, which this yacht can reach while ensuring the utmost comfort at all times. It's the pride and joy of the world boating industry as a whole.
