## Overview

---

The *Maritimo* is a proven offshore cruising or fishing boat. It is stabilized with a Sea keeper Gyroscopic Stabilizer, big power, C18 Cat's. This boat has been boat house kept and professionally maintained to almost perfect condition. In 2013-2014 she went through a major refit with every system inspected, assessed and upgraded, as necessary, to current owner's exacting standards. If you want the nicest, "better than factory", 55' Maritimo, then this is the boat.

This combination makes the 550 Offshore Maritimo a great boat that stands head and shoulders above the rest! Here is a great opportunity for you to get a proven boat that is ready to fish or cruise in style and comfort. The added safety of a Maritimo equipped like this will feel like it is always standing upright and not tipping from side to side as the waves come astern or abeam. The boat is rock solid and you would be able to own it for nearly \$1M less than building a new Maritimo or comparably equipped boat of similar quality.

## Manufacturer Provided Description

---

Named as the Australian Marin Industries Federation 'Fishing Boat of the Year' (over 10.0 metres) for 2008, this is a boat that has already been 'blooded in battle' against the top game boats and come out trumps. Several features set the Maritimo convertible on the way to success; the hull is a masterpiece, an advanced, variable dead-rise design enhancing blue water performance like no other. With acute seven degree shaft angles, effective weight distribution and standard engine package of dual Caterpillar C12 Marine Diesels delivering 715 hp each, she's the most effective Bluewater battler on the market, and with the optional Cat C18's this fabulous vessel can top out at an incredible 37.5 knots. An efficient game fishing platform in every sense, her crew enjoy understated elegance aboard, with spacious staterooms, saloon, superb galley and a well planned flying bridge
