SPECIFICATIONS

Overview

You won't believe they can pack this much space into a 37 foot boat. The Mainship's unique design opens up the interior space and makes it feel like a much larger boat. With generous galley, open saloon, and both cabins featuring heads with separate showers, it feels more like a home than a boat.

On the exterior, it's got great visibility and plenty of seating. And the bridge to bow walk through allows free movement so that handling dock lines is a snap. But there's also the covered aft deck, with ice maker and refrigerator, which is a great place to relax. Palmetto Paradise is truly a boat that you'll enjoy using in its entirety.
