DETAILED INFORMATION

Manufacturer Provided Description

The Leopard 44 represents Robertson and Caine's latest innovative developments with modern features not yet seen on production catamarans, while remaining committed to the tried and tested features that have made the Leopard line one of the most sought after brands of catamarans globally.

FORWARD COCKPIT

One of the many intriguing features this yacht offers is the forward cockpit with direct access from the saloon. While a forward cockpit is conventional on the modern cruising catamaran, the Leopard 44 distinctively offers an integral hardtop bimini, protecting the forward and aft cockpit, while also creating a comfortable outdoor living space.

PERFORMANCE

The Leopard 44's sailing performance and ease of handling has earned her multiple awards. All running rigging runs aft to the standard electric winch allowing this yacht to be sailed from the comfort and safety of the protected helm station with double helm seat and hardtop bimini.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
