SPECIFICATIONS

Overview

MAJOR \$100,000 PRICE REDUCTION!

Relocated in December 2017 to HMY's docks in Stuart, FL.

ON DISPLAY AT STUART BOAT SHOW, JANUARY 12-14 2018!

Recent Updates:

- **Owner installed a Brand New AC Unit in the Salon, May 2017**
- **Boat received new bottom paint, May 2017**
- **Prop speed was put on all of the running gear, May 2017**
- **New aft deck and FB enclosures installed, Spring 2017**
- **Engine cooling systems serviced December 2017**

"Seafari II" is the new generation 60' Islander by Novatec. Re-designed and debuted in 2008, she has a sharper entry, more bow flare, integrated swim platform & transom and stylish lines. Maintained by an experienced owner and captain, she is turn-key and ready to go. In addition to the many unique options offered by Novatec, the owner has added several upgrades which include: custom shelving in galley, trash compactor, custom aft sunshade, custom ladder to hardtop and Caribe tender & Marquipt 1000lb davit. Powered with Twin Cummins QSM-11 715hp diesels - routine mechanical service has just been completed. All batteries have been replaced within the past year.

This is the only true factory 60' Novatec in the US. A MUST-SEE priced to sell - Owner looking for quick sale!

DETAILED INFORMATION

SEAFARI II

Vessel Walkthrough

She has a very spacious 3 stateroom layout. Full beam master with full size head and walk in shower and an access door to the cockpit. The VIP is forward with a Queen bed and full head with walk in shower. The Guest stateroom is to starboard with twin bunks and a desk which can be used for an office. The Salon area is large with ample seating, pop-up flat screen, entertainment area, wine locker, and ice maker. Connected to the salon is the large galley with stainless steel appliances and U-shaped Corian counters. The Aft deck is a comfortable entertaining area with full enclosure and A/C, wet bar, and refrigerator freezer. From the aft deck, a stairway leads up to the bridge which also has a full enclosure and air conditioning. There is an L-Shaped seating area with a table, 3 pedestal captains chairs, electric front windows and full controls and instrumentation. She is powered with upgraded twin Cummins 715hp QSM-11's.
