Fuel Type: Diesel

DETAILED INFORMATION

Deck & Hull

- Swimstep platform
- 100lb Bruce anchor with 450' chain 9/16th inch
- Maxwell anchor windlass
- Maxwell mooring winches
- Simrad follow up jog
- Wesmar bow & stern thruster
- Stainless steel staple rails
- Cockpit water tight engine room hatch

Accommodations

There is a full beam owner's ensuite stateroom with his and her vanities and toilets port and starboard of a centerline tub/shower. Mirrored port and starboard guest ensuite staterooms lie aft of a central foyer equipped with a washer and dryer cabinet. Staterooms are individually controlled for HVAC and equipped with overhead smoke/heat detectors. Heads are equipped with powered ventilation.

Lower Deck: In the bow, the forward most compartment is a chain locker. The next compartment aft, separated from the cabin locker by a watertight bulkhead, lies a crew cabin. The crew cabin features a large C shaped settee/berth forward and a small entertainment center aft to starboard. Next aft to port lies a Captains cabin, which contains a double berth, storage, and a small entertainment center forward. Across a short fore and aft passage way lies an enclosed head compartment, which features a sink vanity, a marine toilet and shower stall. At the aft end of the passageway, a semi-circular stairwell leads up to pilothouse. Next aft lies the full breadth master stateroom head compartment. The master stateroom follows, with an island king berth forward, a cabinet and short settee outboard to port, a large bureau outboard to starboard, a small walk in closet and entertainment center aft to starboard, a walk in closet aft to port, and a double door entry on the aft centerline. The master stateroom is followed by a large vestibule, which features an art nook to port, and a semi-circular stairwell leading up to the main deck opposite starboard. Off the vestibule aft to port and the starboard are mirror image guest staterooms, which feature island queen berths, storage and hanging lockers outboard, and head compartments forward. The head compartments contain sink vanities, marine toilets, and shower stalls.

A full breadth engine room follows the guest staterooms, and is in turn followed by the lazarette/steering compartment. Main Deck: Forward is a large pilothouse, with a full breadth helm console forward, two helm chairs, watertight side deck access doors to port and starboard, a raised settee with table aft to port, one step down and aft to

starboard of centerline, a staircase leading up to the flying bridge to starboard of the stair, and a small desk fully outboard to starboard. A large U shaped galley lies next aft to port, with built in freezer and refrigerator draws opposite to starboard. Outboard of the drawers' lies a day head compartment, with sink vanity and a marine toilet. The day head compartment is followed immediately by the stairwell leading down to the aft accommodations. The main salon follows the galley, and features, a large wet bar forward to starboard, followed by an entertainment system cabinet, and then by open salon space. Forward to port the main salon has been partitioned off by an athwart ship buffet to form a dining salon. Aft to the dining salon is an open main salon area.
