DETAILED INFORMATION

Overview

Walkthrough Boarding the yacht is via port or starboard aft boarding gates, down two steps to the teak Aft deck/Cockpit. This area is perfect for alfresco dining or just lounging. There is ample seating, a table, storage, access to the side decks and the hydraulic swim platform.

Entrance into the yacht is through a centerline stainless sliding glass doors. The yacht features high gloss cherry wood paneling, teak/holly wood flooring and granite counter tops. The upper salon has a sofa/dinette to starboard and a bar counter unit to port. Up one step is the large helm area to starboard with additional companion seating to port.

Forward and down to the lower salon, galley, owners and guest staterooms. All the way forward is the VIP stateroom with an en-suite head, aft of the salon to starboard is the master stateroom with an en-suite head and aft to port is the second guest Stateroom and day head. The single Crew Cabin with a wet Head is aft with and the entrance from the stern of the vessel.

Upper Salon The upper salon is spacious and illuminated by large port and starboard windows. The aft stainless steel and glass bulkhead has a privacy curtain that fold into a hidden locker to starboard.

The salon sole is teak and holly wood flooring with a carpet overlay. Immediately to starboard is a large C-shaped tan leather sofa with storage below. The sofa will easily accommodate six to eight people. The wood table in front of the sofa has a bird's eye maple inlay and comes with a cover to protect the wood. The table also has an adjustable slide.

Aft of the sofa is a four door cabinet housing the yacht's shore power selector breakers and remote battery switches as well as the generator start/stop switches. Next forward are the large side windows with cherry wood mini blinds.

Across to port is a bar area against the outboard bulkhead. Starting aft is an Insignia TV, the yacht's service point for the Sat TV System, CD/DVD and Stereo Receiver. The counter top is granite and has an under counter mount sink with a removable spray faucet and a mirrored bar glass storage cabinet facing aft. There are two under counter Subzero drawer refrigerators, a four draw cabinet and a large storage cabinet.

The cabins large side windows are decorated with cherry wood mini blinds. Also in this area is a six channel speaker system with a hidden subwoofer and overhead mini spot lights.

Pilothouse Area Up one step from the upper salon is the yacht's impressive helm station. To port is an upholstered two person companion seat with a teak and holly wood footrest and a storage drawers. Also in this area are two drink holders, an electric side window with cherry wood mini blinds. The U-Line icemaker is conveniently tucked behind the portside companion seat.

To starboard is the main helm area with two upholstered Recaro type helm seats with footrests on stainless steel pedestals. The seats are electrically controlled and have several adjustments.

The wrap around helm area contains the following equipment: • Raymarine (hybrid/touch) Chart Plotter, Fish Finder, Radar and GPS • Raymarine Radar has 4' open ray antenna • Tilt leather helm wheel • Raymarine autopilot • Compass • Raymarine 240 VHF Radio • ABT hydraulic bow thruster control • Echopilot – Forward looking Sonar • ZF Mathers electric & throttle control • ACR Point Pad searchlight control • Trim tab controls • DMP engine start/stop panels • Opening side window (up/down) • (3) Windshield wiper washer controls • (2) Manual fire pull systems • (3) Overhead night running lights • Central vacuum outlet • (4) Overhead mini spot lights • A large overhead sunroof

Lower Salon/Galley Forward and down from the upper salon is the lower salon, galley, owners and guest staterooms. The lower salon/galley is spacious open area, perfect for entertaining or preparing of meals. This area is a combination of carpet and teak holly wood flooring with cherry wood paneling throughout.

The Salon area is to starboard and consists of two leather sofas, the aft one seats two and has storage below. Just forward is an end table with storage below and cabinets above, one of which houses the entertainment system consisting of a Sharp DVD/VCR, CD Stereo Player and a Direct TV receiver. Across and slightly forward to port is a large Sony LED TV with a hidden sound bar below. Forward of the entertainment center is a large leather sofa that converts into a bed at the touch of a button. Above and behind the sofa are several cabinet and two opening stainless steel portholes with drapes/shades. In front of the sofa is a high/low wood table with burl wood inlay. Three hatches in the sole lead to additional storage and equipment access. Overhead lighting is provided by mini spot lights and a large skylight that can be closed as desired.

Galley Adjacent to the lower salon area to port is the yacht's galley which has a granite counter top and teak and holly flooring. Features include: • Subzero under counter fridge w/wood door • Subzero under counter freezer w/wood door • Under counter mount sink • Removable spray faucet • Kenyon 4 burner Ceran top cooktop w/sea rail • Tappan Microwave/concealed behind wooden doors • Upper cupboard storage • Below counter cabinet storage • Below counter cabinet doors w/large drawers within • Overhead lighting • Stainless steel opening portholes w/drapes

VIP Stateroom All the way forward is the VIP Cabin. There is a queen berth on centerline with room on the sides for easy access. Below the berth are storage drawers and the headboard is mirrored with an inset area flanked by port and starboard reading lights.

There are port and starboard stainless steel portholes covered with drapes and accented with rope lighting behind the valance. To both port and starboard are top opening storage cuddies. Next to port are two storage lockers with shelves and this is where the TV is mounted. Further aft to port is the entrance to the private head with a beveled dressing mirror mounted on the door. To starboard is a full size auto lit cedar lined hanging locker with two drawers below. A hatch in the

sole reveals additional dry storage.

Also in the VIP are digital AC controls, overhead lighting, a CO detector and an overhead hatch with a sliding screen and sunshade.

VIP Head Accessed only from the VIP Stateroom is the a private head. The vanity has three cabinets and two drawers below with a granite countertop and under counter mounted sink. There are beveled mirrored medicine cabinets with rope accent lighting. The toilet is a Vacuuflush model and the flooring is teak and holly.

The large round stall shower with a Lucite door, bench seating, a handheld or wall mounted fixture, a teak grate sole, overhead lighting and an opening stainless steel frosted porthole. The heads overhead is mirrored and there several mini spot lights. Master Stateroom The master stateroom is aft of the lower salon to starboard. There is an oversized queen berth placed athwartships off the aft outboard corner. The headboard has seven beveled mirrored panels that extend across the aft bulkhead. There is rope lighting in the valance above the mirrors and directional reading lights above the berth.

Forward and to starboard is a full size cedar lined auto lit hanging locker and access to the private Head. Another hanging locker is inboard. Storage in this area is via four drawers and three cabinet doors with shelves within. Facing the berth is a Sharp Aquos TV and above the TV are four additional cabinet doors for storage. In addition there is overhead lighting, three step lights and a CO detector. The berth hydraulically lifts with storage and a safe hidden below.

Master Head Accessed only from the master stateroom is a private head. The vanity has three cabinets and two drawers below with a granite countertop and under counter mount sink. Three beveled mirrored medicine cabinets with rope accent lighting are above the sink. The toilet is a Vacuuflush model. There are two additional storage cabinets above the toilet. The sole flooring is teak and holly. The large round stall shower with a Lucite door, bench seating, a handheld or wall mounted fixture, a teak grate sole, overhead lighting and an opening stainless steel frosted porthole. The heads overhead is mirrored and there several mini spot lights.

Port Guest Stateroom Just aft of the galley is the port stateroom with upper lower bunks, reading lights, a porthole with drapes and four cabinets for storage. Note the TV is mounted at the foot of the lower berth. Inboard are two cabinet doors with storage shelves.

Forward of the port guest stateroom is access to the guest head/day head. There is a Vacuuflush toilet, a vanity with storage below, a granite countertop with under counter mount sink and two mirrored medicine cabinet above. Above is an opening forward stainless steel porthole, two lights and rope accent lighting.
