SPECIFICATIONS

Overview

A high-end fishing machine and the largest boat in today's Everglades fleet, the 355 Center Console is stylish, fast, and loaded with amenities. Built on a deep-V hull using the company's proprietary RAMCAP construction process, the 355 is virtually unsinkable thanks to the urethane foam injected between the hull and deck. She's also innovative—the combined glass windshield/T-top has become an Everglade's trademark. Standard features include triple helm seats with flip-up bolsters, electric high-low bow table, foldaway stern seating, two livewells, forward fish box and cooler, and an aft bait freezer. A clever foldaway seat on the rear of the bait well doubles as fighting chair. The 355's large console head compartment includes a small quarter berth plus a sink, shower, and storage drawers. An anchor hatch at the bow provides access to the windlass, control switches, and a washdown hose. The powder-coated windshield frames and bow rails are a classy touch, and the hardtop has a built-in ladder for access to an optional upper helm station. This kind of quality doesn't come cheap. Triple 300hp Yamaha's top out at over 45 knots

Basic Information

Category: Center Console

Model Year: 2014

Year Built: 2014

Country: United States

Vessel Top: Hardtop

Dimensions

LOA: 35' 4" (10.77m)

Beam: 10' 8" (3.25m)

Min Draft: 2' 0" (0.61m)

Max Draft: 3' 2" (0.97m)

Speed, Capacities and Weight

Cruise Speed: 30.41416847 Kts. (35 MPH)

Max Speed: 47.79369331 Kts. (55 MPH)

Displacement: 9500 Pounds

Water Capacity: 35 Gallons

Fuel Capacity: 411 Gallons

Accommodations

Total Cabins: 1

Total Berths: 1

Sleeps: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Deep Vee

Hull Color: White

Hull Finish: Aluminum

Engine Information

Engines: 3

Manufacturer: Yamaha

Model: F300

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Construction

- Unsinkable
- Patented closed molded RAMCAP® construction process
- Self-bailing cockpit
- Variable deadrise deep v-hull
- NMMA, ABYC, and CE certified
- No wood construction – all composite
- High density, closed cell, structural foam flotation
- Hull laminate – premium gel coat, vinyl-ester barrier coat, vinyl-ester skin coat, polyester print barrier and knitted biaxial fiberglass
- High density PVC composite transom
- Hull liner and deck mated perfectly for a rigid one-piece construction, adding to its long-term durability
- Hull liner completely finished inside with Class A surface
- Molded-in diamond non-skid
- Rigging troughs – molded-in and oversized for easy access
- ABS backing used to receive self tapping screws and bolts
- Aluminum frame work – custom fabricated in house meeting stringent standards, sand blasted then powder coated using premium marine grade materials
- Gunwale boards – all hand laid and extra heavy-duty
- Caulking – high grade, non-yellowing, mildew resistant polyurethane (not silicone bath caulk)
- Wire harnesses – manufactured in house using marine grade, tinned copper wire, high grade heat shrink connectors and waterproof Deutsch plugs
- Circuit protection – circuit breakers or fuses protect all electrical circuits
- Heavy-duty rub rail with 316 stainless steel insert and end caps

- 316-L stainless steel and chrome plated fasteners for additional corrosion and stain resistance
- All hardware bedded or gasketed to resist crevice corrosion
- 316-L cast stainless steel hinges and latches
- Heavy-duty, welded bow and stern eyes, bedded and sealed in polyurethane
- Upholstery - extra-heavy vinyl with acrylic top coat, Tenara™ thread, and anti-mildew backing - adhered to high density plastic backing (no wood) with flow through foam cushions
- Bronze high speed intake strainers
- Painted aluminum 411 gal fuel tank

Console/Hard Top

- Hardtop - fiberglass hardtop with aluminum powder-coated frame includes blue & white LED lights, spreader lights, rod holders
- Stereo speakers mounted in the hardtop (2)
- Tempered glass, hydraulic sliding windshield
- Intelligent windshield wiper and washer system that automatically parks before the hydraulic windshield can move to the down position
- Convenience tray with drink holders
- Console glove box/storage bin
- Console hand rails
- Console power port - 20 A
- 316-L stainless steel steering wheel
- Ergonomically placed stainless steering wheel and binnacle
- Molded-in fiberglass footrest at the helm
- Fire extinguisher (2)

- China-bowl head with macerator and holding tank – 9.5 gal
- Sink with shower in the head

Deck/Cockpit

- 17.5 lb stainless steel anchor, 300' rode, 15' chain
- Bow casting platform
- Low-profile aluminum powder-coated bow rails 1 5/16" diameter
- 10" pull-up cleats cast – 316-L stainless steel, through bolted and bedded in polyurethane (6)
- Blue/white LED courtesy lighting with 316 stainless steel bezels
- Raw- and fresh-water sink
- Cockpit area – 158 sf
- Powder coated toe rails
- Lockable transom gate with freeing port

Full canvas cover

Fishability

- Abundant space for electronics placement
- Command leaning post workstation
- Yeti Cooler
- Circulating livewell with light and 3/8" clear acrylic lid with stainless steel friction hinges and latch – 31 gal
- 316-L stainless steel gunwale flush mounted rod holders bedded and through bolted
- Transom rod holders
- Kingfish rod holders

- Tackle stations with drawers
- Lockable rod storage
- Taco Grandslam Outrigger package – 18' poles

Mechanical/Electrical

- Auto anchor system – windlass
- Bilge pumps – 2,000 gph (1) & 3,700 gph (2)
- High-water alarm
- LED anchor light
- Navigation lights: LED lights, 316-L stainless steel covers, bedded in polyurethane
- Docking lights
- Ritchie(R) compass
- Stereo – AM/FM/Bluetooth ®/Auxiliary
- Remote controlled spotlight
- Electric horn
- 4 bank battery management system
- Battery charger
- Transom shore power outlet, dockside water- and fresh-water fill
- Fresh-water washdown – 35 gal
- Raw-water washdown
- Electric Lectrotab, twin cylinder, custom stainless steel trim tabs with position indicator and auto retract
- Underwater lights

Seating

- Bow seating with cushions and storage
- Cushioned forward console seating
- Electric bow table
- Folding fighting seat with gimbal
- Folding stern seats

Engines

Triple Yamaha F300 4 stroke outboard gasoline engines, 300hp each, 225 hours each.

Complete full engine service at 175 hours (all 3 engines)

Yamaha Vessel View

Engine warranty expires 02/19/2020.

Exclusions

Owner's personal belongings.
