## Overview

---

LEASE UNTIL 2037 Grand Harbour Marina is the modern Superyacht and Megayacht port of Valetta, with capacity for yachts up to 140 m in length. The marina is an established cruising destination for visiting yachts throughout the season and is situated in one of the world's largest, deepest natural harbours, on the east coast of Malta.

The marina provides five-star facilities and is superbly serviced, sheltered and secure. It offers unrivalled views, a stunning setting and access to Malta's historic capital. The city itself is a busy maritime centre and is steeped in history and culture.

Bars, restaurants, supermarkets and shops are to be found just a short walk away in the town of Vittoriosa or visitors can try the famous Casino di Venezia. The island also offers plenty of shoreside activities for crew and guests including an 18 hole golf course and diving as well as theme parks and events.

There are regular ferry services to Salerno, Genoa and Tunisia and a high-speed ferry to Sicily. The international airport is only a 15 minute drive away and has connections to most European cities.
