Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: F250

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Remarks

Regulator 29FS 2008 accolades the most impressive center console on the market today. The design of this center console by Lou Codega highlights a full fiberglass stringer grid system hull.

Why is the 29 so impressive and questions to ask yourself?

400 mile cruise range meets your needs?

50 mph WOT impress you and fellow anglers?

Is 33-34 mph cruise speed to blue water fast enough?

All the answers to the above questions for the 29 Regulator is "YES" per Steve Gilliam-Galati Yacht Sales. In addition to an outstanding safe and stable ride it's noted as "BEST in Class" 29-30 ft center console. Impressive Fuel burn ranges with Twin Yamaha 250hp effortlessly reaching speeds of approximately 45 mph in 20 seconds. See the Power and Motor Yacht reports published. The boat test included a 180 degree turn at WOT in the 50 mph range and the results where outstanding.

Special note to the storage compartments: like a HUGE fish box forward with approximately 130 gallons for your load of Mahi or Tuna.

This is your opportunity to own a World Sailfish Championship Center Console Special Edition by Regulator. This is a one of a kind-equipped center console in Florida.

Call Steve Gilliam for a showing 24 hours advance notice requested.

Outstanding! ALL NEW ELECTRONICS -April 2016 and ALL NEW UPHOLSTERY-October 2016

Electronics

- ACR RCL-100D 12v 200,000 Candela, Dual Bulb Searchlight, includes URP-102 Control Pad and 15" Wiring Harness
