## Vessel Walkthrough

---

Entering the salon area, you will immediately notice the very cozy feel, from the rich book matched teak woods to the mocha leather custom sofas and dark wood floors throughout. The center bulkhead in the salon houses the 42" Samsung flatscreen TV. To port is the very well thought out and neatly organized galley area. This area features four drawer refrigerators, a three-burner cooktop, GE convection microwave oven and great storage. Moving to starboard, down four steps, is the companionway, which features a glass door to the huge tackle and rod locker. Immediately to port down two steps is the oversized guest stateroom which has side-by-side twin berths separated by a flatscreen tv. This stateroom has an outstanding use of storage and a beautiful decor. All the way forward provides the master stateroom with a tapered king berth, with storage below, and tremendous storage throughout. To port you will find a full make-up station with a swing out stool. A 42" Samsung flatscreen TV is recessed into the wall with its own stereo system. The oversized master head features a huge shower and great storage
