# SPECIFICATIONS

---

## Overview

---

**ALL SPECS IN THIS LISTING ARE PRELIMINARY** The *Tiara 4100 Open* is a big offshore express that can be used for both cruising and fishing. A very roomy boat thanks to a wide 14-foot 8-inch beam. The 84 square feet of lounge space provides the room and storage needed for relaxing and livability. The cockpit is easily accessible, and with the raised bridge deck, there is 5' 5" of head room in the engine compartment. By using deck and hull-side laminates with thicker cores encapsulated in thinner fiberglass skins, the yacht is made lighter and more efficient, maximizing performance without sacrificing construction integrity.

## Basic Information

---

**Category:** Cruiser

**Sub Category:** Sport Cruiser

**Model Year:** 1997

**Year Built:** 1997

**Refit Year:** 2012

**Country:** Mexico
