Engines: 2

Manufacturer: MTU

Model: MTU 12V 2000 M91

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

General

The classic timber paneling that we have come to love from the Benetti shipyard covers the interior of "ALANI II", from the sky lounge on deck 3, throughout the main deck and Master stateroom and accommodation deck. The Master stateroom enjoys a full beam position, forward on the main deck offering exceptional sea scapes and cruising comfort. A large en-suite bathroom services all needs with an adjoining dressing room and walk in wardrobe. Four guest cabins are on the lower accommodation deck accessed through the main salon stairwell. Two double VIP cabin laid out at midships with a further two twin bed cabins with a third pull man berth in both, provide privacy and comfort for 12 guests. All cabins have their own en-suite, finished with marble and silk wall panels. Independent audio visual equipment is fitted throughout the yacht. The Sky lounge is furnished with a gleaming polished wooden floor, luxurious beige sofa, matching arm chairs, coffee table with integrating ottomans, a functional and popular area on board the yacht. Large sliding glass doors open to the aft bridge deck with Alfresco dining facilities for 12 guest providing relaxing seating areas. Up on the sun deck, loungers are arranged aft, amidships the wet bar is serviced with fridge, ice maker, sink & BBQ, shade is offered from the radar arch and bimini cover. Forward of the bar area is the best vantage point onboard while sipping champagne in the comfort of the spa providing the ultimate 360 degree views when cruising or at anchor.
