Manufacturer: MTU

Model: 16V2000

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

15 Year ABS Special Survey Complete by September 30, 2017

Carte Blanche is a 2003 Trinity that is 124' and has five staterooms that sleeps 11 guests. The vessel is built to ABS Standards and is maintained by a crew of five, and is always on high demand for charter. The captain and crew have a great following, but the owner only allows 4 to 5 charters per year. In 2014, Carte Blanche went through an extensive refit that started with all the soft goods and carpet throughout the interior and the soft goods on the bridge and aft deck. In 2015 and 2016, **Carte Blanche** had various mechanical upgrades throughout.

Carte Blanche offers a very large aft deck for entertaining. There is an outdoor bar to the port with four bar stools and a drop down TV. The very wide staircase to the the starboard side leads you to the bridge. Once you enter the salon through the stainless electric door there is a bar to your immediate left with a new 55" Samsung smart TV on the wall and three bar stools. There are many comfortable areas to relax in the salon with the large L shaped sofa to the port and a over sized arm chair. There is a 2nd TV that hides away to the starboard side for great viewing from anywhere in the salon. Just forward of the salon is a large dining table for eight that is separated from the salon by two well appointed square columns and a credenza between them.

Carte Blanche has one of the VIP staterooms on the main deck just forward of the stairwell to the lower staterooms. The other four staterooms are below deck with the master being full beam and offering a king size bed. The bathroom for the master is a his and her layout that stretches full beam, there is a couch to the starboard & a desk to port. Two of the VIP staterooms below have queen beds and the 4th stateroom is equipped with a twin bed and a pullman.

Carte Blanche has a very large bridge with a opening bridge top and a hot tub. Plenty of seating to the port with the dining table to three lounge chairs. There is a well appointed bar to the starboard side and a grill just aft. The bridge holds a hard bottom inflatable boat and two jet skies.

Carte Blanche is a turn key vessel and maintained to the highest levels. The captain and engineer have been with owner since delivery. For the slide show type <https://> then the copy the following link: scottroberton.smugmug.com/Carte-Blanche-124-Trinity

Highlights

- *15 Year ABS Special Survey Complete by September 30, 2017*

- **Total Re-Build Windlasses 9/2017**
- 5 Staterooms w/5 en suite heads
- VIP Stateroom on Forward Main Deck
