DETAILED INFORMATION

Overview

The Ferretti F800 is one of the most desirable motoryachts designed and commissioned by this most respected Italian shipyard. Her sleek *Euro* exterior profile are complimented by the warm and open interior space planning. She features four generous staterooms with two crew cabins forward. Powered by V12-2000M94 MTU's, this stunning vessel can easily cruise at 24 knots and achieve 30 knots wide open throttle. With her Mitsubishi Gyro Zero Speed stabilizers you will enjoy both a comfortable ride and stable anchoring. Offered well below replacement cost, PAPAITO has been sparingly used -- ***extremely well kept*** throughout.

Aft Deck

You can enter the aft deck from opening gates to either port or starboard. From the teak swim platform, you can ascend stairwell to port or starboard. The flooring is teak, featuring built in bench seating aft with table & chairs. Full walk around side decks and access via teak stairs - starboard side to fly bridge.

- Hydraulically activated **Transom Garage** (storage space)
