---

# DETAILED INFORMATION

---

---

## Vessel Walkthrough

---

The 55 Marquis LS motor yacht was introduced to compete with the Euro look of boats that were being imported to the United States...great lines and flowing windows...The 55 LS not only has a beautiful profile and great looks, but handles very well...easy to dock with bow and stern thrusters...many other great features like bridge ac, bridge grill and aft lift for a dinghy.

She has had a great life, as she came from the fresh waters of Tennessee. Her owners have upgraded this boat and she shows great!

---
