DETAILED INFORMATION

AFT DECK

Satori can be boarded either from the oversized aft swim platform or by tide ride boarding ladder from either port or the starboard side. The deck has a teak sole and aft bench settee with teak table and loose chairs that will easily accommodate six for al fresco dining or cocktails. There is overhead lighting and stereo speakers. On the port side aft there is Hubbell shore cord fitting with electric shore cord retrieval. At the forward portside of the aft deck there is a cabinet with full controls for engines bow thruster and engine stops. The aft generator room and engine room are accessed from a large centerline hatch. On the starboard side of the aft deck is a large sliding hatch that allows access to the bridge.

SALON

The Salon is accessed by a large custom built centerline sliding door of exceptionally heavy construction. The landing has a teak and holly sole. The interior is paneled in matte finished Makore mahogany with dark inserts and accents. The soft goods in the salon are very neutral and complement the wood beautifully. As you enter to port, the ships power panel is behind smoked glass doors. Next to starboard is a butter soft leather couch with a Hi-Lo coffee/dining table that will serve six comfortably. The couch ends in a bar/work area that has computer ports, outlets, VHF radio, and Raytheon depth recorder. On the forward window line are three roll top cabinets for dish storage. There is chart drawer storage in this area as well. The salon is 360 degrees of windows that allow excellent natural light into the room. The port side of the vessel if from aft, a cabinet with U-Line ice maker and a forward electronics A/V cabinet. Forward is a 42" Sony Bravia TV and more storage.

- Sliding curved screen door
- Sliding curved glass door
- Neutral color carpeted sole
- Mounted table lamp, port aft
- Electrical distribution panel, port
- Mirrored panel, port outboard or electrical panel
- Wood panel overhead, centerline
- Vinyl overhead panel, port and starboard with recessed lights and stereo speakers
- Access panel, starboard aft outboard
- Roman drop shades, port and starboard
- U-line icemaker, starboard
- Leather neutral curved sofa with storage underneath, port
- High gloss wood Hi/Lo table, port

- (2) Leather hassocks with storage underneath, port
- Tank watch panel, port aft
- Audio panel, port
- Storage cabinet with dual-level turn table, port

Entertainment center, starboard aft cabinet, includes:

- 42" Sony Bravia LCD TV
- Motorola Blu-Ray Player
- Bose Surround, 5 speakers
- Raised platform for navigation station
- Black marble countertops
- Raytheon ST60 Tridata unit
- Standard Horizon Intrepid VHF radio
- Storage, outboard below desk
- Valance lights
- Indirect lighting, forward at desk
- Storage, forward
- Wine Cooler

GALLEY

The galley is contained by a curved cabinet forward. The woodwork is again Makore and beautiful onyx granite. Please see equipment list for appliances. There is an under counter freezer and refrigerator. Microwave/convection oven and much storage. The deck is again teak and holly.

- High- gloss wood floor
- Kenyon 3- burner electric stove top with black marble countertops
- Marine Air air conditioning control
- Wema water tank gauge
- (2) U-line refrigerators
- Two Kidde 1A10BC dry chemical fire exhaust fan
- General Electric Profile performance
- Microwave/convection oven
- Double stainless steel sink
- Waste discharge plaque
- Extinguishers
- Kenyon 3-burner electric stove top with exhaust fan
- General Electric Profile performance microwave/convection oven
- Double stainless steel sink
- Waste discharge plaque

COMPANIONWAY

- Four steps down from galley
- Vinyl overhead
- Neutral color carpeted sole
- Two Marine Air air conditioning compressors under steps
- Overhead lighting, forward
- General Electric stacked washer/dryer
- Deck washdown pump
- Electric automatic bilge pump
- High water alarm
- Two head vacuum pumps
- Shower sump tank and pump
- Head holding tank, approximately 50 gallons
- Head holding tank discharge pump

STATEROOMS

On centerline and down four steps are the staterooms. The steps lift to allow interior machinery and A/C access. In the companionway forward to port is a stackable washer and dryer.

To port is a twin berthed stateroom with drawer storage and hanging locker again paneling is Makore with complementary soft goods. The stateroom has its own stereo system and flat screen TV.

To starboard is a queen berthed stateroom with all of the amenities of the twin.

The two staterooms share a bath. The bath is large and has a curved shower of glass, granite countertops and a custom sink.

MASTER STATEROOM

The master berth is queen and on center line. The room is paneled with Makore and done in complementary soft goods. There is abundant storage over and under the berth. On the port side aft there is a vanity table with good lighting and several electrical outlets. On the starboard there is a small curved bench seat and a 36" Sony TV on the bulkhead. On the aft bulkhead to port is the ensuite bath. The floor is a custom mosaic tile with a tropical theme. There is a large shower, granite counter tops and an oversized sink.

- Neutral color carpeted sole
- Vinyl overhead panels with recessed lights and stereo speakers
- Valance lights, port and starboard
- Bulkhead mounted sconce light forward
- Overhead hatch with blackout panel and screen
- Overhead cabinet, port and starboard
- Bench seat, port and starboard
- Rope lights below outboard cabinets
- Fluorescent lights above outboard cabinets
- Maxwell windlass circuit breaker/isolator panel
- Linn Classik audio unit
- Berth, centerline
- Storage underneath mattress
- Bedspread and Pillow shams
- 26" Sony Bravia flat screen, port aft
- Marine Air air conditioning control panel
- Sony DVD/ CD player 5 disk
- Make up vanity bench
- Lockers with custom molded panels
- Fluorescent lights
- Walk-in hanging locker
- Overhead light
- Porthole with curtains
- Access to air conditioning handler and filter
- Full length beveled edge mirror in frame
- Four 12-volt batteries under bed
- Maxwell circuit breaker

MASTER STATEROOM HEAD

- Mosaic tile floor
- Molded fiberglass overhead with recessed lights
- Shower stall with:
 - Bi-fold door
 - Porthole
 - Exhaust fan
 - Overhead light
- Bench seat
- Overhead hatch
- Vacuflush head
- Vanity with:
 - Marble counter
 - Custom scalloped Kohler sink
- Beveled edged mirrored medicine cabinet, outboard

- Door to outboard storage with custom mounted sconce lights on door, forward and aft
- Porthole at aft door
- Storage below sink

VIP STATEROOM

- Entrance from companionway, aft
- Neutral color carpeted sole
- Vinyl overhead with two recessed lights and two stereo speakers
- Light step riser
- Marine Air air conditioning controls
- Carion AM-FM/ CD player
- Konica color TV 12" LCD
- Insignia DVD/CD player
- 1A10BC dry chemical fire extinguisher, no tag
- Hanging locker, forward, with three storage drawers and small marble vanity
- Porthole, outboard
- Two storage compartments, outboard
- Queen berth, outboard, with mattress, bedspread, and throw pillows
- Nightstand, inboard, with storage drawers and marble top
- Mirror on aft bulkhead
- Mounted light

VIP DAYHEAD

- Fiberglass overhead with three recessed lights
- Wood plank floor
- Fiberglass shower stall with:
 - Shower head on hose
 - Hot/cold water faucet
- Marble vanity top with stainless steel sink and hot/cold water faucet
- Mirrored medicine cabinet with light fixtures on each side
- Vacuum flush toilet
- Porthole, outboard

PORT GUEST STATEROOM

- Entrance from companionway
- Vinyl overhead with two recessed lights
- Two stereo speakers
- Marine Air air conditioning controls
- Single berths, inboard to outboard, with nightstand between
- Mattresses, bedspreads, and pillow shams
- Two mirrors on aft bulkhead

- Porthole, outboard
- Valance lighting, outboard
- Lighted step riser
- Clarion AM-FM/ CD player
- Konica color TV 12" LCD
- Hanging locker with three storage drawers and small marble vanity
- Kidde 1A10BC dry chemical fire extinguisher

FORWARD DECK

The forward deck has a large sun pad area and dunnage on both port and starboard.

FLYBRIDGE

This area was refit from original by Cay Marine of Miami, FL. On the port side is a banquette with a table that will seat six with two deck chairs. The cushions on the bridge are tan Sunbrella. Forward on centerline is a large bench for the helm and a full helm console.

Aft and starboard of the console is a custom built cabinet that has a refrigerator, barbeque and storage.

The whole bridge area has an abundance of storage and is well laid out.

The bridge is accessed from the aft deck by a stainless ladder with nine teak treads.

- Fiberglass non-skid deck with loose carpet
- Fiberglass hardtop with recessed lights
- Air conditioning 24,000BTU, custom made vents
- Fiberglass helm bench seat with cushion
- Fiberglass helm console with tempered glass and stainless steel cover
- Simrad AP22 autopilot
- Raytheon ST60 depth unit
- Bow thruster Vetus 15hp
- Caterpillar engine digital control panel
- Trim tab controls with level indicators
- Hydraulic clutch and throttle controls
- VHF Standard Horizon
- Raymarine E120 Chartplotter
- Wet bar, port, with single sink with hot/cold water faucet and storage locker

- Cabinet, starboard
- Gaggenau Electric grill and U line refrigerator with icemaker
- Stainless steel rails on bridge aft deck and steps to lower aft deck
- U-shaped bench seat with:
 - Cushions
 - Storage
 - Pedestal mounted hi/lo table
- Courtesy lights
- Recessed drink holders
- Ritchie Powerdamp compass
- Windlass control switch
- Synchronizer switch
- High water alarm
- Light switches
- Horn switch
- Fuel gauge
- Fireboy engine shutdown system
- Under helm storage with access doors, port and starboard
- Avon 6-person life raft, inspection due
- Life jackets

HARDTOP

- Two VHF antennas
- Radar scanner
- Air horns
- Satellite radio antenna
- Two domes with GPS

SWIM PLATFORM

- Teak over fiberglass deck
- Two steps up to aft deck, starboard
- Underwater lights
- Stainless steel swim ladder in recessed compartment
- Courtesy light at steps
- Pop-up stern cleat, port and starboard
- Freshwater washdown, port in forward locker, with selector handle to shower hose

- Locker, port outboard, with dockside water connector with pressure regulator
- Roller, port and starboard outboard

DECKS and SUPERSTRUCTURE

- Boat was painted by CAY Marine
- Fiberglass non-skid deck forward; teak over fiberglass at lower deck, port and starboard
- Two steps up to forward deck area, port and starboard
- Maxwell 3500 anchor windlass with two deck switches and chain locker
- Stainless steel 60-lb plow anchor with approximately 110m of chain
- Stainless steel anchor chute
- Anchor locker hatch with saltwater wash down and windlass brake handle
- Stainless steel rails and stanchions
- Bow cleat, port and starboard
- Sun lounge in trunk cabin with:
 - Stainless steel handrails
 - 3-place drink holder, port and starboard
- Fuel fill in locker, port and starboard on side deck
- Waste outlet, port
- Navigation light, port and starboard
- Spring cleats, two port and two starboard
- Four deck hatches
- Dual horn trumpet, starboard
- Fiberglass non-skid deck
- Tender chocks
- Tender davit UMT 1200 (wired remote)

LAZARETTE

- Two stainless steel 155-gallon water tanks with sight tubes, outboard
- Sub- Zero freezer, port forward
- Discharge-of-oil plaque
- 12-volt battery to generator, starboard outboard
- Door to engine room, forward
- Three overhead fluorescent light bulbs
- Three 12-volt lights with safety cages
- Freshwater filter
- Onan 17-kw generator, aft

- Phasor 21KW generator
- Fiberglass generator muffler
- Power Transformer
- High water alarm switch
- Electric/ automatic bilge pump
- Hydraulic steering RAM
- Autopilot feedback sensor
- Shorepower main breakers
- Glendinning shorepower cable drum
- Three battery cutoff switches
- Watermakers Inc, 940 gpd
- SHURflo24-volt freshwater pump
- Pura ultraviolet filter
- 10BC fire extinguisher
- 110-volt freshwater pump
- 24-volt exhaust fan

ENGINE ROOM

- Three 12-volt batteries, outboard of starboard engine
- Analog engine hour meters:
- Approximately 1550 hours
- Naiad Stabilizers, with 7.5 square ft. fins
- 12-volt battery, port
- Racor fuel filter to each engine
- Racor fuel filter to each generator
- Hydraulic steering control reservoir with pressure gauge
- Hydraulic engine control reservoir with pressure gauge
- Electric/automatic bilge pump with float switch, forward and aft
- Two high water alarm switches
- Four ER blowers
- Oil change pump to manifold
- Raritan water heater
- Aluminum fuel tanks, port and starboard outboard
- Aluminum fuel tank, fwd
- Air conditioning raw water circulating pump
- Marine Air air conditioning compressor unit
- Dripless shaft seals
- Two ProNautic 2425C3 battery chargers
- Naiad 254 hydraulic reservoir
- ProTech battery charger

- 4-blade propellers
