## Overview

---

Uhane a Whitby 42 has been home for it's owners for the last 16 years and is ready to take new owners on there chosen adventure. Uhane has the ability to stay on the hook for extended periods or you visit your favorite marina. She a ketch rig that has with many custom upgrades that make this Whitby 42 a pleasure to sail. One of the weak links on any Whitby 42 is a undersized rudder. The owners have addressed this issue by enlarging the boats rudder following the original designer( Ted Brewer) guidelines and keeping the upgrade inline with design specs of the rest of the steering gear. Uhane has two staterooms, two heads with walk thru and entrance ways from the cockpit. She is easy to see in downtown St. Petersburg, FL.

---

### 42' Whitby walkthrough

---

Entering the Uhane's well protected cockpit you have the option to enter the vessel thru two companionways. One goes to the salon and the other goes to the master stateroom. The forward cabin has access to a large chain locker, storage to both starboard and port, large v-berth with guest head, privacy door. The salon has a L - shaped settee to port, to starboard is small fold down table, lockers and storage, Just aft is a chart station. Back to port is a upgraded u-shaped galley. Hatches and SS ports provided ventilation. Starboard there is a walk thru to a full width master with ensuite head. Good storage through out.

---

### 42' Whitby Accomodations

---

Uhane offers a large master stateroom with ensuite head aft and a guest stateroom forward with ensuite head and large v-berth. both heads have Corian counter tops.

---

### 42' Whitby Salon

---

---

2007Mac 4 Batten Main Sail

2007 Mac 130 Genoa on Profurl roller furling

2007 Mac Cruising Spinnaker

Storm Sail

Mizzen Sail

---

## 42' Whitby Upgrades

---

Rudder - The boat's rudder was enlarged, following the guidelines provided by the designer Ted Brewer to ensure the rudders dimensions remained within the engineering specs of the rest of the steering gear

Steering - A second tiller arm was added to the rudder post and a second hydraulic steering system to accommodate the autopilot, completely separating the hydraulic system of the steering wheel and auto pilot. If there is a problem with one steering system then the other one is available.

Galley - The countertops in the galley were replaced with Corian. During that process we replaced the galley sinks with two stainless steel 12 x 13 x 7 1/2 sinks.

Freezer/Refrigerator systems - Both the Refrigerator and Freezer were rebuilt. Giving you separate refrigerator and freezer boxes. Each with its own cooling system. The freezer is

cooled by a Techanautics Cool Blue 12 volt holding plate system and the Frigerator has an Adler Barbour 12 evaporator plate system.

Heads - Corian counter tops were also installed in both heads

Cockpit Dodger - New dodger in October 2016

## **Exclusions**

---

Owner's personal belongings.
