Overview

Flipper 880 ST The Flipper 880 ST will take larger families or groups on unforgettable trips. The combines a luxurious amount of space and power with the agile handling characteristics of a racer. The wholly folding roof and large panorama windows tempt you to take to the water and enjoy the sun and waves. Light everywhere In fine weather, the deck space becomes a comfortable open area if you fold the roof all the way down. The sense of space is enhanced by long panorama windows with a view of the landscape in all directions. Daylight floods the cabin through the large portholes in the hull and roof. Room to relax Power and comfort If you like a double helping of speed and show, you can order your Flipper 880 ST with two engines. Together, they will generate up to 600 horsepower of sheer power when needed. Lounging The best sun-bathing spots are on the bow deck or the aft cabin roof. From these prime locations, you will have the best view of the landscape while you recline. And the galley with its refrigerator will stay close to hand. Innovative galley The boat's cooking facilities lie under a folding counter. For normal use, just fold the counter up and the galley will be ready to use. Entertaining larger parties becomes more convenient if you roll the counter to the side to create more work space. The refrigerator and storage spaces are directly under the galley. The spacious berths in the bow and separate aft cabin offer peace and comfort. The bed in the forecabin converts easily into a large sofa suite. Separate WC facilities with a sink and plenty of storage room hide below deck. Atmospheric lighting The boat's oblique and atmospheric indoor lighting creates a relaxing atmosphere when you wish to enjoy good company or the peace and quiet of nature.
