Overview

Only 502 hours!

This Cruisers 540 Express shows well loved and close to “10!” This well maintained yacht shows extremely clean in side and out. Her bilges are spotless, her bright work gleams and her hull is bright and shinny. This low hour Cruisers is standing tall to any buyer. She is equipped with the performance, handling, accommodations, and storage essential for long-term cruising.

The airy interior of the 540 Express is glowing with the warmth of cherry wood and exquisite detailing. Cherry cabinetry, and many designer features like recessed lights and decorator accents greet accentuate the spacious salon. Due to Cruisers clever layout the salon has the feel of a much larger yacht. The salon has a large u shaped sofa that can seat 8 comfortably and converts to a sleeper. The salon also features a flat panel TV built into the wall with its own DVD player and satellite receiver and stereo. Dining is for six and the table can hide away under the floor electrically. There are 2 bar stools and an extended counter serving as extra eating space or bar. The 540 features a galley equipped with a large refrigerator / freezer with icemaker, a double sink, an electric three-burner stove, a microwave / convection oven with exhaust fan and a coffee maker.

The two-stateroom layout features a forward stateroom with large island berth and an amidships master stateroom, which boasts a large island berth and a walk-in, cedar-lined closet. Adjoining to the master stateroom is a private head that features a full and large glassed in shower enclosure, lots of storage and the cherry cabinetry is very beautiful. There is also a hidden washer/dryer combo in the stateroom.

The configuration above deck includes a walk-around helm area that gives the pilot and co-pilot easy helm access, substantial horseshoe seating aft that can be electrically converted to a spacious sun lounge. It also has an aft deck / platform seating area, large entertaining center with built in barbeque-wet bar, Pop Up Flat Panel TV, refrigerator with built in U line icemaker, and plenty of storage for water toys. A notable feature is its stylish hardtop with opening sunroof. Forward, on the bow is a very large sun pad for 2 to enjoying the sunshine.
