## Overview

---

The boat is in standard configuration, extra options are available. It's a given that a Galeon yacht would have intuitive functionality and stunning looks, and the 385 is no exception. Notice the low-cut, hull-length windows, brightening the interior of the lower deck. Skylights in the bow sundeck fill the master bedroom with natural light, while the flush floor on the main deck follows the latest trends. The helm station is roomy, and features a retractable roof that provides protection from the elements. Moreover, the cockpit is protected from the sun and rain with a marquee that opens and retracts automatically. Fit a sizable tender or personal watercraft in the automatic garage system - it comes standard. The living spaces provide for all your needs, from the C-shaped settee, chaise lounge, wet bar and exterior galley to the helm station. Accommodation space on the lower deck features a saloon with galley, the owner's suite (fore) with a private bathroom and a double aft cabin with an additional bathroom. Select from a variety of interior design lines and a comprehensive list of additional options to fully customize your yacht. For optimal performance, choose the desired engines and necessary navigational equipment. Allow yourself to be amazed by the Galeon 385.
