SPECIFICATIONS

Overview

The boat is in standard configuration, extra options are available. It's a given that a Galeon yacht would have intuitive functionality and stunning looks, and the 385 is no exception. Notice the low-cut, hull-length windows, brightening the interior of the lower deck. Skylights in the bow sundeck fill the master bedroom with natural light, while the flush floor on the main deck follows the latest trends. The 385 Open is a perfect day cruiser for the all sport enthusiasts as the open cockpit area accentuates the sense of speed and performance during cruising. Make use of the functional, automatic garage system located at the stern to fit a sizable tender or personal watercraft – this feature comes standard on every 385. The living spaces provide for all your needs, from the C-shaped settee, chaise lounge, wet bar and exterior galley to the helm station. Accommodation space on the lower deck features a saloon with galley, the owner's suite (fore) with a private bathroom and a double aft cabin with an additional bathroom. The living spaces provide for all your needs, from the C-shaped settee, chaise lounge, wet bar and exterior galley to the helm station.
