SPECIFICATIONS

Overview

The boat is in standard configuration, extra options are available. Galeon extended and refreshed its mid-range segment with a hardtop variant of the acclaimed 420 FLY. The main focus of the design was to flawlessly integrate a bright and welcoming interior with the sporty and dynamic character of the 430. The forward-facing glass roof effortlessly slides back yet is quick to close if the weather gets harsh. Notice the single sliding, glass panel over the cockpit area as well as the patio doors granting easy access to the saloon. The aft-facing loungers will slide when needed, creating either a great dining or leisure area at the stern. The main deck boasts plenty of space and features a dining table, sitting areas, a well-equipped helmsman's station and a galley. Similar to the 420, the sliding bed raises the number of berths to a class-leading eight. The plethora of interior design options allow for the yacht to be fully customized. Choose between two or three bedrooms down below – all with ample headroom, and make use of two separate bathrooms for optimum comfort and privacy. The 430 features a stylish, relaxing interior thanks to high-quality fabrics, luxury fittings and top-of-the-line equipment. IPS, shaft, sterndrive, Aquadrive and Axius systems are among the wide variety of propulsion options included. Bring the yacht to its full potential and take advantage of its precise handling with one of the high-power engines, or focus on comfort and fuel efficiency with others. The 430 HTC is the perfect yacht for the customer who demands comfort, sophistication, and performance.
