SPECIFICATIONS

Overview

This handsome, classic 78' Hargrave Burger was originally built as 68'. In 1989 she had a 10' cockpit added by Burger. At the same time, her running gear was extended. Not only is she a good sea boat, she has been consistently well maintained over the years.

Some recent items of note: her exterior paint is in very good condition; her main engines were rebuilt in 2012; her shaft logs were replaced three years ago and she had new bottom paint and cutlass bearings in June ('16). August 2017 - All the varnish has been stripped and is being prepared to be re-coated. ABSOLUTLI RUTLI is ready for a new owner to make his, her or their upgrades to the interior. Priced realistically by an experienced owner who knows the market and is ready to sell.
