SPECIFICATIONS

Overview

This truly unique boat was custom built by Tim Winters for his grandfather. The design is reminiscent of the classic Rybovich lines seen in the 60's. The boat is rigged for cruising and fishing. Her custom curved windshield and hardtop offers full protection from the water and sun - more protection than a traditional center console. The bridge deck has dual Stidd helm chairs and teak decking throughout. Behind the helm chairs is seating in the mezzanine. Down below, there is a queen size bed, sink and toilet. For the fisherman, there is a transom mounted fish box. This low hour boat is kept on a lift and is in immaculate condition - a MUST SEE!

Basic Information

Category: Sport Fisherman

Sub Category: Express
