# SPECIFICATIONS

---

## Overview

---

This 60 Hatteras Enclosed bridge had a complete paint job in the spring of 2016 and a new generator in spring of 2017. Sea Dog is a very clean, very well maintained 60 and has the preferred 3 stateroom, 3 head layout with the double berth forward stateroom. The CAT 3412 engines are very well maintained and the pristine engine room and bilges show the high standards that "Sea Dog" has been kept to. Sea Dog is priced right and ready to travel.

### September 2018 updates:

- **Bottom sanded to glass and freshly painted**
- **Props conditioned and Prop Speed applied**
- **1,000 hour service performed on engines**

---

## Basic Information

---

**Category:** Sport Fisherman
