SPECIFICATIONS

Overview

Volvo IPS 600 with Joystick control / Manufactures Warranty / Tropical A/C / Light Oak interior

Vessel is in Ft Lauderdale and available for showings on short notice

One thing Prestige Yachts knows how to do is combine luxury with affordability. A perfect example of that is this 500S. Here is a boat with a luxurious layout, tender garage with room for a few extra toys, and three private staterooms including a full beam owner's suite with its own staircase. As for the price, we think this is one of the more positive stories about getting value for your hard-earned money

Manufacturers sea trials have shown that this model powered by twin 435-hp Volvo Penta IPS600 propulsion systems achieved a maximum speed of 34.3 mph (29.8 knots). At this speed she was burning 42.5 gph and has a range of 217 nautical miles. Best cruise was found at 2250 rpm where the boat was just over the hump on plane going 16.8 mph (14.6 knots), burning 14.5 gph, getting exactly 1.0 nmpg for a range of 311 nautical miles. I suspect most boaters will want to cruise her a bit faster, say, at 2750 where we found her going 20.0 knots and getting .89 nmpg. DYSID:3023632

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2016

Year Built: 2016

Country: United States

Dimensions

LOA: 50' 0" (15.24m)

Beam: 14' 9" (4.50m)

Max Draft: 3' 4" (1.02m)
