## DETAILED INFORMATION

---

### Overview

---

Winner of the prestigious Zeus Statue for Best Motor Yacht 2010 and Asia's Boating Awards 'Most innovative interior' from Intarya Design Studio in London. CELESTIAL HOPE accommodates 12 guests in 6 well appointed staterooms. Her full beam Master Suite is beautifully open and bright. There is an Owner's Study/Media room, a VIP suite plus 3 double and 1 twin guest staterooms. Meticulously maintained she receives an extended yard period every winter where her crew keeps her up to date with all class & flag surveys and certifications.

### Main Salon and Dining Salon

---

The design brief of CELESTIAL HOPE was to create the feeling of a New England beach house yet with a luxurious feel, a task which designer Kamini Ezralow of Intarya Designs surpassed. The comforting palette of soft blues, aquas and ivories are enhanced by all the beautiful details. In the Main Salon you find comfortable seating with textures of linen, silk and velvet. The dark wood flooring contrasts beautifully with the white lacquer cabinetry. Here you will also find panels of 'Verre Eglomise' an 18th century technique of gilding, etching and painting the backs of mirrors. Bespoke craftsmanship is found throughout the yacht. The hand carved dining table base was made by one of the leading and oldest craftsmen in Italy. Above this hangs a custom Murano glass chandelier.

### VIP Suite

---

Forward of the Starboard Guest Lobby and Day head is the VIP suite with accents of blue against the ivory linens and dark wood floor. There is a desk topped with the 'Verre Eglomise' technique and the en-suite features a light airy shower and Murano glass framing the mirror.

### Owner's Study/ Media Room

---

Forward on the main deck is a very comfortable Media room. With 2 large L shaped seating areas, large flat screen TV and surround sound speakers. The ideal place to gather friends and family to watch the large selection of movies onboard. Open to this area is the owner's study which allows one to keep on top of business whilst still being part of the action.

---

## Guest Staterooms

---

Leading down to the lower deck from the Starboard guest foyer you will find four guest staterooms. Each stateroom has its own seasonal theme and colors to match. Every cabin has an ensuite with marble finishes, a desk area for laptop use and flat screen TV's that use CELESTIAL HOPE'S video library.

---

## Master Stateroom

---

Leading up the shimmering central stairway is the master stateroom. Located on the bridge deck facing aft making use of the full beam of the boat. This expansive space creates a haven of privacy. There is a cozy fireplace nook, a built in bar which disappears into the paneling, and a pop-up flat screen TV at the foot of the bed. The bathroom is located behind the head of the bed and can be accessed from either side of the main cabin. The bathroom features a custom egg-shaped bathtub and Venetian-Style mirrors.

---

## Deck Arrangement

---

Heading up top, the owner requested the ambiance of an interior lounge with homey detailing in the deck items. For an outdoor area, this proved a bit tricky. A central forward bar area with umbrella-style sunshades add to the feel of being in a hip lounge, while plenty of space has been set aside for sunning. With ample cover provided by the hard top, there is room on starboard side for a dining table bordering on a settee and space for eight guests. A curved counter top facing forward on the sundeck provides seating for four more, while a port side settee adds more space for extra guests. The aft portion of the sundeck features an ample-sized, eight-person Jacuzzi for more adventurous nighttime thrills.

On the open forward area of the bridge deck lies plenty of space for sunning or enjoying the thrill of CELESTIAL HOPE'S 25-knot top speed. A large C-shaped settee offers loads of relaxation space just forward of the helm on the bridge deck. Forward of this area is a very large sun pad that conceals a davit for unloading the twin Sea Doo's and 4.1-metre rescue tender that are nicely tucked away at the bow. Aft of the owner's suite is a large dining area with a generous round table seating 12. On the lower deck, just forward of the swim pad at the transom is a specially designed Hamman, or Turkish-style steam room/bathing area.

The main doors in the salon can be opened up to the very substantial aft deck, which creates a huge indoor-outdoor party and entertainment area.
