# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

The Carver 360 Sport Sedan is wonderfully versatile. Whether cruising, fishing or diving, this sporty yacht will make anything more fun. Its attractive contemporary styling and signature two-tiered windows for extra light and style, make it one of the most-appealing vessels in its class. The spacious bridge with generous seating also includes a captain's chair and ergonomically designed dash. The large cockpit is the perfect size for all kinds of on-water activities. The cabin features a unique raised dinette / lounge with UltraLeather seating. Rich, cherry wood cabinetry with high-gloss finish adds warmth and beauty to the space. Sleeping accommodations include two staterooms.

So what else is special?

- New extended bimini in 2014.
- New vinyl upholstery on flybridge in 2014.
- 8 dive tank brackets in the cockpit, which fold down when not in use.
- This boat looks like it has never been used. Not a single scratch anywhere on the cherry cabinets and table.

What can be better?

- I would suggest replacing the old CRT TVs with a couple of flat screen TVs ~\$500.
- Also, a newer Chartplotter would be nice. Radar would be icing on the cake. That's it!

This is a clean, turnkey boat, ready for extended cruising in comfort.

---

## Engine Notes

---

Carver had 4 engine choices for the buyer to make. Either go with the standard MerCruiser 8.1 Gas engines, or choose from 3 Diesel options.

Cummins 280B, Volvo 300 or Cummins 330B.

The Owner chose the more powerful Cummins 330 hp, as a \$50,000 upgrade!

Optional Fuel Transfer Pump included.

Also a Onan 9 kW diesel generator upgrade.

---

## Additional information

---

Bottom paint was done in 2014 and is cleaned every month. Boat lives in brackish water.

New extended bimini and STRATOGLASS (not Isinglass) in 2014.

New canvas backdrop for the cockpit and a companionway cover as well.

New vinyl upholstery in entire flybridge area.

Two A/C units replaced in 2014, that cool the entire boat and the seawater lines have been recently cleaned.

4 fishing rod holders added to the transom.

New pillows in cabins and Salon.

Stereo speakers on the Flybridge and 4 in the Salon.

---

## Galley

---

Galley has a 2 burner glasstop stove, plus a convection microwave oven below it.

Aft of the countertop is a refrigerator/freezer combo.

---

## Exclusions

---

Owner's personal belongings.

---

## Disclaimer

---

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.

Cabin Headroom	4 (6 optional)	

**360 SPORT SEDAN**

**STANDARD FEATURES**

**CONSTRUCTION**

- 50-horse engine mounting - reinforced vinyl mounting with double-gummed, anti-rattle plate
- Fiberglass structure floor frames with stainless steel attachment
- Hand laid, molded fiberglass components including complete windshield,扶栏, deck, and coaming
- Master fiberglass injection system
- Cherry wood trim, coaming, console, and outboard through-hull cutouts, with high-glass finish
- Seal fiberglass hull bottom with Kevlar substrate and vinyl ester barrier coat
- Tense, tempered safety glass frame and window systems
- Laminated deck, cockpit, and outboard coaming with integral structural reinforcement

**MECHANICAL**

- Air conditioning - 2 zone, 22,000 BTU with remote cycle head, dehumidifier, power vent, remote controls
- Outboard heating - synthetic rubber composite
- Chrome steel top
- Exhaust muffler - vinyl, generator
- Fuel tank - welded, built-in 1000 L (26.4 gal)
- Hydraulic steering
- Powerlift - methacrylate coating
- Powerlift - 421 horsepower inboard
- 421 - 421 horsepower inboard
- Trim tabs - stainless steel, hydraulic

**ELECTRICAL**

- AGDC dual-bank panels with magnetic coil breakers and AC and DC voltmeters, AG alternator
- Batteries (2) - deep cycle, marine (12V)
- Battery charger (2) - inboard, AG/DC converters
- External converter - CATV, microwave
- Generator - 7.5 KW, gasoline
- Ground Fault Circuit Interrupt (GFCI) protection - all 110V outlets
- Inboard power connections (2) - 30 amp
- Inboard power cables (2) - 100 L
- Wiring system - inboard, copper strand wire, harness, color-coded, bonded, marked, or secured
- AETC members

**WATER & WASTE SYSTEMS**

- Fresh water system - pressurized (12V), with emergency flow
- Fresh water storage tank - polyethylene
- Fresh water tank - dual main for shock water connection with pressure differential valve
- Shower pump - automatic, manual operation
- Waste holding tank - self-flush, vent and odorless pump-out
- Waste tank level indicator
- Water tank - 200 L (53 gal) - built-in, 100% polyethylene, stainless steel, 100% polyethylene
- Water heater - 7.5 gal (21.6 L)

**SAFETY & NAVIGATION**

- Anchor - 15 lb, stainless
- Battery monitor - automatic, analog
- Battery system for power
- Bilge blower (12V)
- Bilge pump (2) - 100 gpm each, automatic/manual control on
- Bimini top for all cabin area
- Bimini top
- CD Chubbies in cabin and cockpit
- Compass - Raytheon, dual rail

**ENGINE**

- Engine alarm - temperature and oil pressure
- Fire suppression system - automatic, FEAT (FROG) in European Community
- Governor - electronic, gear
- Ignition - electronic (12V), handstart
- Inboard heating system
- Isolated motor oil sump (in all tank models - standard option)
- Navigation lights (COLREGS)
- Spotlight
- Windless package - with 30 hp and 40 hp (100% of 110V) dual

**BRIDGE**

**Command Bridge**

- Downrigg holders (2) - recessed, integral, self-flushing
- Electrical panel - custom aluminum with shock proof, weather surface coating and UV protection
- Electronic auto reverse power (2)
- Outboard-mount detector attached with non-binding, shock and vibration resistant
- Lights (2) - courtesy, recessed, with rubber-mount and switch
- Lash-up - self storage, manually, suspension & safety
- Self-flushing, self-flush surface
- 100% stainless, 100% stainless glass with stainless steel frame

**Helm**

- Access panel - provides access to main battery
- Accessory panel - for parking, navigation, engine
- Amplifier - 12V
- Downrigg holders (2) - recessed, self-flushing, with stainless steel holder
- Companion seats (2) - adjustable, overhead base, high-quality, matching with color, safety, and easy storage
- Cap - 100% stainless steel, recessed with access

**360 SPORT SEDAN**

- DC circuit breaker panel for helm and cabin
- Dual VHF (2) - 800-watt dual, on white side of helm console
- Heated and adjustable pedestal seats, 7 1/2" quality marine grade upholstery, anti-sway swiveling
- Stereo system (2)
- Full steering wheel

**Instrumentation**

- Compass - synthetic resin, solar angle, 180-degree, engine hour (1 per engine) or compass, engine temperature, engine battery voltage, fuel tank, (multi-gauge, 1 per engine)
- Reverse switch console

**Deck**

**Side Deck**

- 36" x 10' - 1" O.D. - laser drilled, wet/dry deck area deck, with additional intermediate tie
- 36" x 10' - 1" O.D. - laser drilled, wet/dry deck area deck, with additional intermediate tie
- 36" x 10' - 1" O.D. - laser drilled, wet/dry deck area deck, with additional intermediate tie
- 36" x 10' - 1" O.D. - laser drilled, wet/dry deck area deck, with additional intermediate tie

**COCKPIT**

- 36" (3-pipe), integral to hull and deck, wet/dry
- 110V outlet - 2000 protracted
- Steering console from port or starboard deck
- Command station - battery integral to deck with starboard deck
- 36" x 10' - 1" O.D. - laser drilled, wet/dry deck area deck, with additional intermediate tie
- 36" x 10' - 1" O.D. - laser drilled, wet/dry deck area deck, with additional intermediate tie
- 36" x 10' - 1" O.D. - laser drilled, wet/dry deck area deck, with additional intermediate tie
