SPECIFICATIONS

Overview

“Aft her Ours” is a 2000 Carver 356 MotorYacht in must see condition. She has been cared for and enjoyed by her current owners they are moving up to a larger Carver.

Her Gel Coat shines like new from the exterior as you walk aboard you will appreciate the built in swim platform and stairs to aft deck. Her total length over all is 41’2” so this is a large little boat. Up on the aft deck there is a wet bar with ice maker and lots of room to relax and entertain. Here enclosures and bimini top are in good condition and look great. Seating for 6 up on the fly bridge so the captain is never lonely.

On the bow there are custom lounge cushions, fender storage racks and controls for the electric windlass. Large walkways take you back aft.

Down below the salon is very open with over 6’4” of headroom, warm woods and natural lighting make the boat seem much larger. 2 staterooms with 2 heads make this the perfect condo on the water.

- Twin EFI Engines with Closed Cooling (Under 400 Hours)
- Generator
- Reverse Cycle Air Conditioning & Heat
- Spotless Inside and Out

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Manufacturer: Volvo Penta

DETAILED INFORMATION

Overview

The 356 Carver is built on a solid fiberglass hull with modest transom deadrise and a shallow keel for stability. Key to her enduring popularity was an expansive, wide-open interior with the cruising amenities of a much larger boat. A dinette is forward in the salon, and there's plenty of storage in the galley which includes a full-size refrigerator. Notably, the double berth in the forward stateroom of the 356 is comfortable enough for two adults. On the aft deck, a transom gate opens to a set of molded steps leading down to the swim platform. A hardtop, radar arch and bow pulpit were standard.

Salon

- 11V Outlets
- DC Distribution Panel
- Designer décor
- Dry Bar
- Tinted Acrylic Sliding Entrance Door
