DETAILED INFORMATION

Vessel Walkthrough

This 2007 Cruisers Yachts 390 Sport Hard Top Coupe is sleek, accommodating, comfortable and presents herself in like **new** condition. She is extremely well maintained and really has to be viewed in person to be fully appreciated. Equipped with the **Joystick IPS-500 propulsion** package she is terrific for those looking to move up to a larger express cruiser while not having to worry about the stress sometimes associated with maneuvering in close quarters. She is quite efficient cruising at 23 knots as she sips a miserly 0.98 gal/nm but can still top out at over 30 knots WOT. The modern hardtop styling with an open-plan interior is attuned to cockpit entertaining while still offering a spacious salon and luxurious sleeping accommodations. While cruising, her climate controlled cockpit (with a custom feature of addition air conditioning piped in from the salon for those extra hot days) along with premium window film has made for a comfortable ride even in the hot Florida summer. After you arrive at your destination drop your dinghy (dinghy not included) into the water using the custom electric dinghy davit system and go explore the area. A great coastal cruiser, 390 Sport Coupes have done The Great Loop and toured the Bahamas so let this vessel be your opening to new adventures for you and your family.

Galley

- Glass door cabinetry
- Galley sink
- Two burner electric range
- GE stainless steel microwave
- Nova Kool stainless steel refrigerator/freezer
- Keurig coffee maker
- Toaster oven

Mechanical

- Twin Volvo IPS-500 diesel engines pods rebuilt with new stainless steel seal rings
- Line cutters on props
- Upgraded sea water strainers - **new “complete” seawater strainer assembly housings installed 11/16**
- Kohler 9KW generator 910 hrs
- Twin 150 gallon fuel tanks with crossover valves
- 75 gallon fresh water tank with easy-open tank access hatch
- **1000 service completed on engines and genset new belts, impellers,**

oil/fuel/air filters, coolant 7/16

- Two house batteries --- One starter battery for each engine genset shares port engine battery and fuel supply
- Starter battery parallel switch
- Progressive Dynamics Intelli-power Marine Smart Battery Charger
- Fail-safe galvanic isolator
- Reverso oil change system
- Automatic fire suppression system with diesel engine shutdown
- Bennett Trim tabs
- U-line ice maker - **Recently replaced**
- Isotherm refrigerated drawer under Captain's helm seat
- Water Fixer Company 3 stage UV light water filter ()
- (2) Dometic Cruisair Helm Air conditioner/Heater Units
- Electric engine compartment hatch
- **Custom damper installed on Salon AC unit allows output to be piped to helm for *additional* cockpit cooling**
- Windshield defroster
- Two windshield wipers
- Easy access hatch added to water tank and salon AC compartment

Cockpit and Helm Accommodations

- Fully enclosed helm with Hardtop & retractable sun roof and walk-thru windshield for easy, safe forward deck access
- Walk around side access to foredeck with stainless grab rails strategically positioned for sure grip. Foredeck has full stainless rail
- Snap-on sunscreens for helm windows
- \$2000 Huper Optik Nano **Ceramic Film applied to all helm windows** which reject 99.9% UV, 63% total solar energy rejection and 62% glare reduction this results in an extremely comfortable climate controlled helm environment with drastic surface temperature reductions even in the hot Florida summer.
- **New Corinthian AQUAWEAVE Flax marine carpet marine grade felt backing easy wash and quick dry.** Far superior to standard rubber backed Berber carpet.
- Unique custom canvas enclosure extension makes rear helm seating usable with enclosure closed - see comparison picture.
- Protective seat covers for year-round protection
- Forward deck sun pad
- New adjustable height captains seat riser which greatly improves visibility
- Dual forward facing seat with individual chart tables that convert to sun pad
- Large rear helm seating with removable table
- Removable 20" Samsung LED flat screen TV
- **New Cockpit speakers and Subwoofer**

Salon / Master and Head Accommodations

- Best in class helm/salon/master stateroom/head ceiling height
- Beautifully maintained cherry cabinetry throughout
- Carpeting with snap-down cover
- Master Stateroom has bulkhead w/ Door (not curtain like other models)
- Two full size sofas one folds out into full size bed with privacy curtain
- Large storage area behind foldout sofa
- Cedar lined hanging closet
- Abundant storage throughout Helm, Salon and Master State Room
- **Central vacuum system** - reaches entire saloon, Master State Room, head and cockpit
- Dry head with **separate shower enclosure**
- Dometic Sealand Electric head with macerator
- Tankwatch monitoring system
- Master State Room's off centerline queen bed eliminates narrowing at pillow end providing more sleeping room than competitive designs
- Two cedar-lined closets in Master State Room

Electrical System and Audio Visual Equipment

- E-plex vessel monitoring and control system
- New DTV-100 over-the-air digital TV Antenna
- AB switch to select dockside cable or over the air Antenna
- Salon 30" Samsung LED flat screen TV with computer hook-up
- Master State Room 19" Toshiba LED flat screen TV
- Removable 20" Samsung LED flat screen TV
- Helm/Saloon Clarion audio system with separate amplifier, 6 disk changer, bluetooth adaptor and helm remote control
- Jensen DVD/CD/MP3/WMA player w/ remote connected to saloon and master state room TV's
- LED lighting throughout saloon/master state room and head - significantly reducing heat and extending house battery capacity
- 12VDC outlets at helm and in salon
- Four GFI 120VAC GFI outlets in helm

Electronics & Navigational Equipment

- Raymarine E-120 Chartplotter with Navionics Platinum+ Charts
- Raymarine Ray55 VHF
- Raymarine RD424 4kW Radar Scanner
- Raymarine Raystar RS125 GPS Receiver

- Raymarine ST-40 depth gauge
- SIMRAD AP26 autopilot integrated with Volvo IPS controls and Raymarine chartplotter
- Volvo IPS joystick with Dual Volvo Multi-function engine displays and Pod position indicator
- Ram 7 adjustable tablet mount
- Compass
