SPECIFICATIONS

Overview

This is a comfortable trawler combining a salty profile with sturdy construction and a practical single-stateroom interior. Many will see the 34 as the ideal boat for the cruising couple—easily handled in tight quarters, easy to maintain, and reasonably easy on the wallet. A shaded aft deck below and an extended bridge above, leave plenty of space for outside relaxing. The stateroom has a queen centerline bed and a nice sized head. Dual helms allow for operation in any type of weather. A single Cummins powers the vessel on a very economic budget. Also equipped with a generator and a Xantrex inverter, this is a great book for a night on the hook. Wide side decks allow for easy line handling. The boat has low hours and is waiting for it's next owners.
